

The background of the page is a faded, high-angle photograph of a large, multi-story building. The building features a central courtyard area with a curved walkway and several balconies on each floor. The architecture appears to be a mix of modern and traditional styles, with a prominent central section and wings extending outwards. The colors are muted, with a lot of beige, cream, and light brown tones. A solid green vertical bar runs along the left edge of the page.

SCHOOL OF ARCHITECTURE

Chancellor's Message

My best wishes to all the Schools for bringing out the Newsletter and for the commitment shown by the Director and the faculty and staff to achieve academic excellence and innovation. As you all know, research, experiment and innovation are always an integral part of the pedagogy at REVA University. Staff members and students actively participate in cutting-edge research projects at several institutions throughout the year. I believe that in this interconnected world, the role of research in a University is significant for its sustainability and development and it is imperative to have knowledge-driven growth, based on innovation. All our work also needs chronicling and dissemination of such information to all stakeholders is critical. A Newsletter from the school, I strongly believe, chronicles the entire journey of the school.

I am sure that this newsletter serves as a testimony to upholding all our efforts. Once again, congratulations to the school for your excellent Newsletter. Keep up the good work, and I wish you all the best in your future endeavours.

Dr P Shyama Raju

**Chancellor,
REVA University**

Pro Chancellor's Message

It gives me immense pleasure to note that the various Schools at REVA have released another edition of the School Newsletter. I am pleased to note that every school has made several academic accomplishments, especially in the domains of research and publications, which further endorses REVA's effort in the global research community. As, one of the forerunners in providing quality education, we believe in and aspire to contribute quality research works. Our students also received an excellent opportunity to get exposure to adequate cultural, co-curricular and student outreach initiatives through student clubs and communities at REVA University.

I am happy to see that your newsletter is an outstanding example of your dedication and hard work. It also demonstrates the depth of your knowledge and the breadth of your skills.

Let's keep this momentum going and look forward to further accomplishments in the future!

Umesh S Raju,

**Pro Chancellor,
REVA University**

Issue #12

July 2022 to December 2022

Envisioning a Sustainable and Inclusive Future

SCHOOL OF ARCHITECTURE

The School of Architecture, REVA University established in 2015 has consistently improved upon its academic and co-curricular activities over the past years. It offers a wide range of innovative teaching methods and learning processes, which are updated frequently to meet the industry's changing requirements. The July to December semester has been a truly fulfilling one, with our 2017- 2022 batch students graduating at a glittering ceremony on campus. It was gratifying to honour them and share the experiences of their student years in the presence of parents who had travelled from far and wide to be part of the occasion. The focus however has been on the social outreach initiatives this semester. Our proudest achievement has been inaugurating Medhavee, the eco classroom at Jalige, the adopted Government primary school near Devanahalli. Apart from this, engaging with community and society has been our goal through our many collaborations, study trips, site visits and research initiatives. I also take this opportunity to welcome the newly appointed Design Chair, Ar. Dhanakoti G.T. to the team and look forward to useful suggestions and input from him towards the growth of the school. My special thanks to my team members for taking the initiative to bring out this NEWSLETTER, which, in addition to our website, LinkedIn, YouTube and Facebook page, seeks to capture the school's exciting and informative events. I thank our Honourable Chancellor, Dr. P Shyama Raju and Vice-Chancellor Dr. M. Dhanamjaya for their support towards this newsletter "Archonicles"

Happy reading!
Prof. Vidya Srikanth- Director, School of Architecture

Launch of B.Sc. Interior Design Program:

The School of Architecture, REVA University launched a 3 year B.Sc. In Interior Design degree program from October 2022. is aimed at blending multi-facets of industrial demands, incorporating designing skills and training in professional technicalities.

Academic Activities:

13th to 19th August 2022 : organized an FDP titled- Mentoring the mentors. Aimed to touch upon the basic tenets of Mentoring including skills required, challenges faced and opportunities of personal growth as we set off on the journey of mentoring young minds.

28th October 2022: On the occasion of World Architecture Day 2022, organized a talk by Mistry Architects. We honoured Ar. Sharukh Mistry, the Principal Architect and Founder of Mistry Architects, for his immense contribution towards the field of architecture and design.

9th November 2022: As part of the School of Architecture's tradition, a **school level felicitation** was conducted for the Graduating Class 2022 (Alumni Batch 2017) and their parents.

Outreach Activities:

7th December 2022: Designuru 3.5 is a combined initiative of citizens of Bengaluru who strive at making the public a part of an art and design-based initiation. The students participated in various workshops such as toy making and textile block printing.

4th December 2022: Bangalore Design Festival: School of Architecture, REVA University put up a stall of hand-made products like bookmarks, coasters, etc. at the Bangalore Design Week – Santé (flea market). This santé was organized to raise the funds for the development of the Government High School at Jalige under the Abhivridhi initiative.

26th November 2022: A small group of 10 students from 1st Semester enrolled for the Material Memory Workshop conducted by Aparna Raman, as part of the Bangalore Design Week.

Community Outreach Activities:

10th August 2022: constructed and inaugurated an eco friendly classroom – Medhavee at the government high school Jalige in the presence of our honourable chancellor Dr. P Shyama Raju and the senior management. This multipurpose learning space becomes a pedagogical tool to learn the values of sustainability and ecological consciousness.

6th July 2022: successfully completed **EDUCATION ON WHEELS** in the adopted school Jalige from I to VII standard students. Students were given hands on experience and practice on basic knowledge of computer, drawing and painting skills in person.

30th July to 9th August 2022: successfully completed the wall painting project in the adopted school class rooms designed by 2nd semester students and faculty. The painting included of interior and exterior wall art themed Nali Kali, sketches related to science, Math and Nature.

20th to 22nd October 2022: organized Waste Aware- a 3 day outreach workshop on solid waste management in collaboration with "Let's be the change"- a non-profit organization. The programme was conceptualized with a two-fold aim of spreading awareness regarding solid waste management as well as engaging students in community related activities

10th December 2022: conducted an origami workshop for the Jalige Govt. School students in making origami kusudama flowers from upcycled architecture portfolio cover texture papers

Workshops/ SDCs:

22nd to 25th September 2022: conducted a workshop for the 5th-semester students on **Autodesk Revit Architecture software** to introduce the basics of REVIT.

22nd to 25th September 2022: School of Architecture in Collaboration with UIIC offered a 4 Day **Skill Development course** for the 7th semester students on Rapid Prototyping using Photogrammetry

22nd to 25th September 2022: offered a 4 Day **Skill Development course** in Collaboration with UIIC for the 7th semester students on **Graphic design**.

6th & 7th September 2022: organized two days' workshop "Understanding with Bamboo" at IPIRTI – Indian Plywood Industries Research & Training Institute, Bangalore to promote the research and skill development in bamboo structures.

Student activities:

26th to 30th August 2022 : organized five days **Documentation tour to Tamil Nadu** as part of History of Architecture – III and Architecture Design studio.

25th November 2022 : Vernacular Architecture studio of VII semester, organized a **heritage walk** cum documentation study at Gandhi Bazaar & VV Puram Bangalore.

Student activities:

8th to 22nd September 2022: organized an **Architectural Evocation 2.0** a weeklong orientation program to the 1st year B.Sc. in Interior Design and Decoration. This program was designed with fun-based games, activities, and shows which would enhance their design thinking ability, communication, and understanding of the course.

7th July 2022: organized a site visit to three churches in Bangalore - St Mark's Cathedral, St Andrew's Church and St Mary's Basilica as a part of the History of Architecture – II course for the 2nd semester.

27th September 2022: organized a case Study/ field Visit to the **TERI Building**, Domlur for the Energy Efficient Design course.

22nd September 2022: conducted an experiential learning session on School design as a part of Architectural Design course for 3rd semester students at **Auro Mirra International School**, Bangalore.

15th October 2022 : organized a visit to the **ACETECH Exhibition** for material and market study as per the SSBC-V and SSBC-III curriculum..

15th September 2022 : organized a site visit with our industry partners – IPIRTI to study Bamboo as a material as per the SSBC-V curriculum.

Student activities:

15th November 2022: organized an expert lecture on Elevators and Escalators by Schindler as a part of the Building Services –III for the 5th-semester.

3rd November 2022: As part of the 3rd Semester Architecture Design Studio, **Ar. Shashidhar Chikka** from **Mindwork Consulting** and designer of the Auro Mirra International School at Ulsoor was invited.

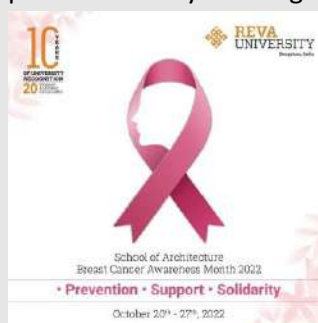

15th October 2022: As part of 7th semester Barrier Free Architecture elective, students visited **M G Road Metro Station** to get a real time understanding of accessible design.

2nd December 2022: Organized a seminar **Youth. Consent. Power.** that marked the ending of our Semester on a reflective note, allowing us to take home ideas to ponder over.

4th to 6th November 2022: REVA School of Architecture took part in CMR Architectural Sports Fest and made their presence felt by creating very high standards in the games.

20th to 27th October 2022:

As an initiative for the second consecutive year, the students of 7th & 3rd semester organized a forum to spread awareness regarding Breast Cancer Awareness.

FACULTY ACHIEVEMENTS

September 2022: Dr. Anupama R M has called as a resource person for Traditional Block Printing in Grand Bamboo Fest, CGBMT HQ, Bangalore.

October 2022: Ar. Roshini received Short film research Grant from Bangalore International Centre on the title: RAJAJINAGAR – one of the oldest industrial suburbs of Bengaluru

December 2022: Dr. Anupama R M awarded the certificate for the outstanding efforts and contributions towards the achievements for IIC 4.0 annual performance 2021-2022.

FACULTY PUBLICATIONS

July 2022: Dr. Saisanath has published a paper titled Influence of the physical attributes of boundary wall on the perceived sociability of the adjoining space in Nakhara: Journal of Environmental Design and Planning

July 2022: Ar. Radhakrishna has published a paper titled Impact assessments of MRTS on land parameters in the International Journal of creative research thoughts

August 2022: Ar. Shubhi Sonal has published a paper titled Effective public space: a quality of life catalyst for dense urban neighbourhoods Evidences from Bengaluru, India in the New Design ideas

September 2022: Ar. Raghuteja has published a paper titled Review of Urban Flood Response Planning and Management In Case Of Hyderabad City in International Journal of Engineering Research and Applications

October 2022: Ar. Roshini has published a paper titled Value-based assessment of Built Heritage: A study of historical markets in Bengaluru in the conference proceedings Metagreen Dimensions 2022.

October 2022: Ar. Baishali has published a paper titled Energy efficient HVAC technology controls for thermal comfort and indoor air quality in IIA Journal

STUDENT ACHIEVEMENTS:

October 2022: Students from 2019 batch **Ann C Anil, Arnala Longkume and Simone Benita Fonseca** got 1st place in Graphic Design Trophy at the South Zonal NASA Convention.

November 2022: Student **Arun K** participated in national level competition "Paint in Good Light".

October 2022: Students **Sonika K, Rachitha Sahoo, Tanushree Menon and Syeda Nikhat Fatima** participated in national level IGBC. Event.

September 2022: Student **Syeda Nikhat Fatima** got 2nd prize in the university level competition NSS Utsava.

September 2022: Student **Piyush M P** got 3rd prize in the university level competition hosted by the Inquisitive club

ALUMNI ACHIEVEMENTS:

Student Sai Kumar Reddy of 2017 batch received a certificate of recognition in the Charles Correa Gold Medal national award.

Student Asha Sahaya of 2017 batch won the Citation award for the best thesis for the IIA member institutions awards.

Getting back on our feet and moving forward

SCHOOL OF ARCHITECTURE

The School of Architecture, REVA University established in 2015 has consistently improved upon its academic and co-curricular activities over the past years. It offers a wide range of innovative teaching methods and learning processes, which update frequently to meet the industry's changing requirements. The semester has been a truly fulfilling one, with our 2016 batch students graduating at a glittering ceremony on campus. It is also gratifying to note that many have started pursuing higher studies in Europe and North America and we wish them success in their future endeavors. The term has been action packed with over 30 site visits and case study visits, buzzing with interesting workshops and invited guest talks. We also ended on a positive note with a fresh beginning, welcoming the 2021 batch of first semester B.Arch students. My special thanks to my team members for taking the initiative to bring out this NEWSLETTER, which, in addition to our website and Facebook page, seeks to capture the school's exciting and informative events. I thank our Honorable Chancellor, Dr. P Shyama Raju and Vice-Chancellor Dr. M. Dhanamjaya for the support towards the newsletter "**Archonicles**" of the School of Architecture.

Prof. Vidya Srikanth - Director I/C

Launch of M.Arch Program:

The School of Architecture, REVA University proposes to launch a 2 year Masters in Environmental Architecture degree Program from July 2021. The program is designed as a niche offering targeted at young architecture professionals who are passionate about environment friendly architecture and sustainable urban futures.

Academic Activities:

22nd March 2022: organized a **Symposium on Environmental Concerns in Architectural Design Analytics** the students were addressed by three speakers from the industry Mr. Viswanath. R, Mr. Kiriti Sahoo, and Mrs. Rathnashree who shared their ideas and experiences regarding the energy and performance of sustainable buildings.

16th May 2022: organised a **One day awareness program on "Climate Smart Buildings"** by **LEAD Consultancy & Engineering Services (India) Pvt. Ltd.** is part of spreading awareness about energy consumption and analysis among architects and engineers.

Outreach Activities:

4th March 2022: Kalakruthi 2.0 was an event to spread awareness on Architecture and other design disciplines to high school students from IX, X, XI, XII, and PU in Bengaluru. The students participated in various competitions on the theme "Namma Ooru Bengaluru"...

4th June 2022: REVA RACHANA- 2022: As a part of the admissions and marketing initiative, this year an open house exhibition displaying the student's architectural works was arranged and an expert talk by an eminent architect Ar Sandeep J was organized for the students and faculty of RUSOA.

Team Building Activities:

May 21st to 23rd 2022:

Team building & bonding outing 2.0 The main ideology behind the outing was to strategize and plan for the growth of the school by understanding collaborative strength of the Team. There were team building activities organized where the **SWOT analysis** for individual, professional and school was completed and discussed.

Community Outreach Activities:

August/ September 2021: Ar. Kokhil S has been identified as a resource person and conducted the 4-week online workshop on “CLIMATE RESPONSIVE DESIGN STRATEGIES” from 18.08.2021 to 09.09.2021 organized by Department of Architecture, Sathyabama institute of science and technology, Chennai.

September 2021: Ar. Anupadma Ramachanran awarded the certificate of participation in Azadi ka Amritha Mahotsav organized by CPWD and ministry of housing and urban affairs, as invited speaker.

September 2021: Ar. Baishali Pradhan awarded the certificate of appreciation for paper presentation in international conference on “Retro futurism of skills in architecture, design planning and innovation” held at School of Architecture, Urban Development and Planning.

September 2021: Ar. Roshini M has presented a paper titled Approaches to Cultural Mapping: A case of heritage markets in Bangalore, Karnataka, and World War I memorials in England in Sahapedia Conference

November 2021: Ar. Roshini M has presented a paper titled Regeneration of the historic market precincts in Bengaluru in ICOMOS Annual Scientific Committee.

November 2021: Dr. Shubhi Sonal was invited for a guest lecture on “Decoding Buildings – Writing About Architecture” by VIT School of Architecture (V-SPARC).

November 2021: Ar. Mahima Jagdish has received a certificate of appreciation for the poem entry in the “Architectural Poetry competition : 5th cycle _theme - "The lost Social sustainability “.

FACULTY PUBLICATIONS

September 2021: Ar. Pooja Ugrani has published a paper as part of the online conference proceedings titled International Conference on Blurred Boundaries: In Search of an Identity: Conference Proceedings (ISBN: 978-93-5473-568-4 (Online))

October 2021: Ar. Mahima Jagdish has published a paper titled ‘Design proposal and Strategies for strengthening the spatial co-relation between street vendors and pedestrians – A case of Yeshwanthpur’ in the UGC indexed International Journal of Creative Research Thoughts, volume 9, Issue 10.

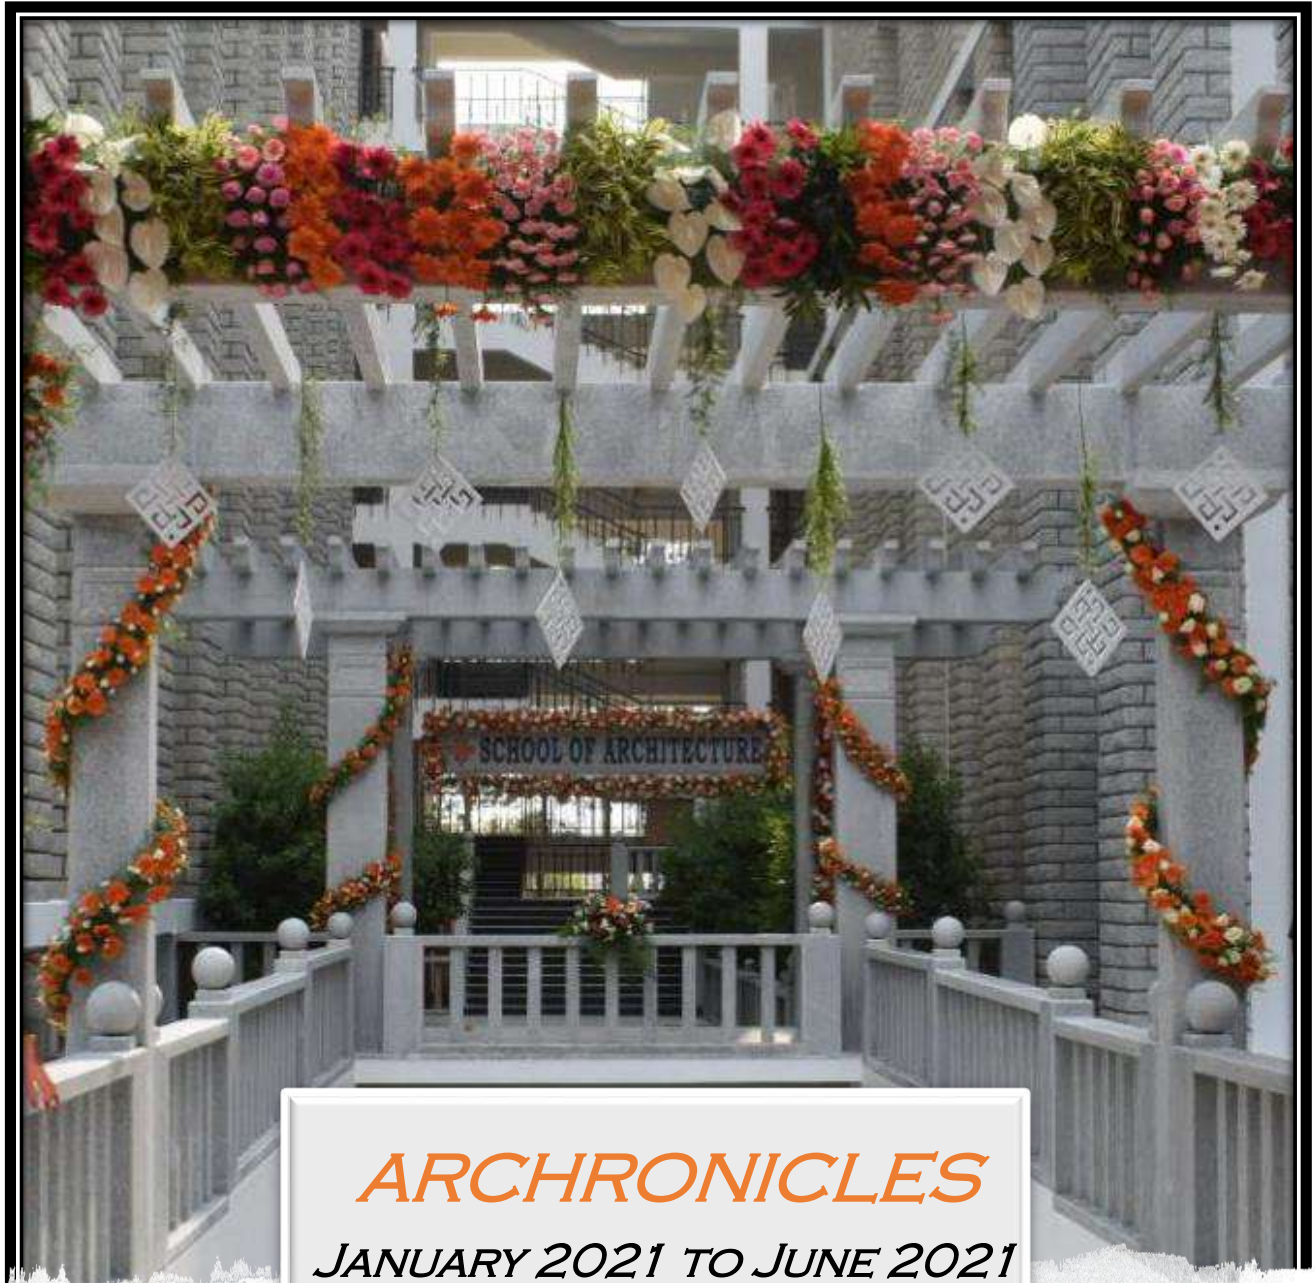

December 2021: Dr. Shubhi Sonal has published a paper titled "Quality despite density? Learnings on quality of life from dense urban residential neighbourhoods: Bengaluru, India" in web of sciences and UGC indexed TRIA journal from University of Naples, Italy.

December 2021: Prof. Vidya Srikanth with students Ginelle L, Sarah Mathews, Meghana S published a paper titled “Within one envelope: the future face of worship” in International Journal of Engineering Research in Mechanical and Civil Engineering (IJERMCE), Volume 8, issue 12

JANUARY 2021 TO JUNE 2021

**'Building our new self-image'
and
Reaching new possibilities....**

We are happy to share with you some snapshots of this eventful semester

SCHOOL OF ARCHITECTURE

THE WORLD IS OUR CLASSROOM...

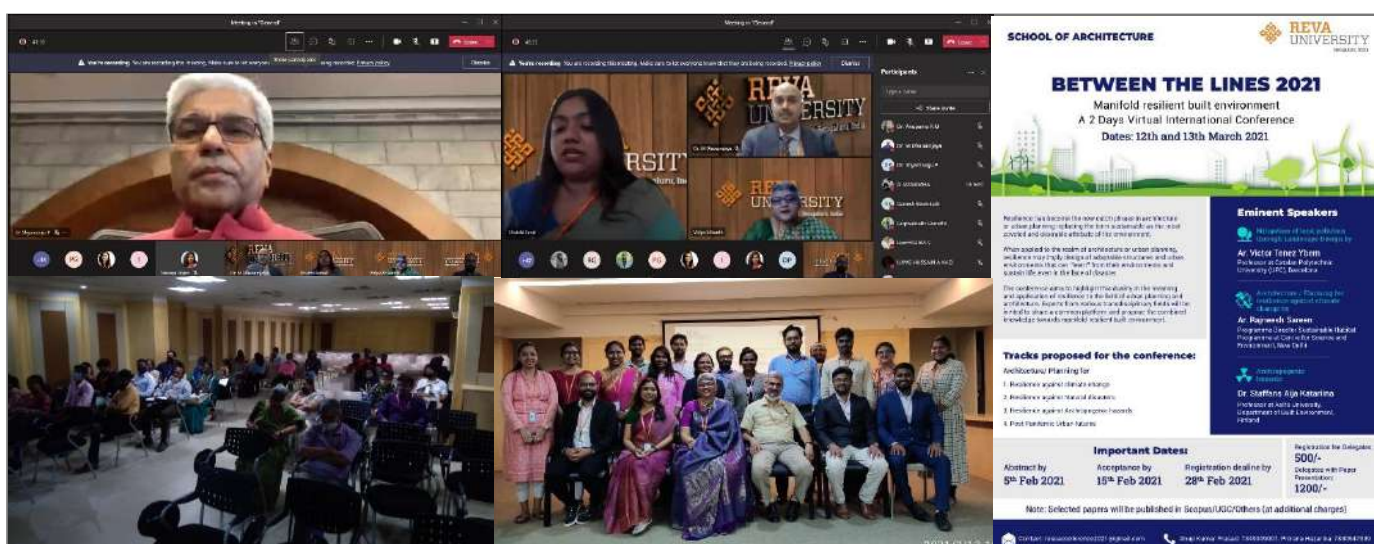

Prof. Vidya Srikanth
Director-I/C,
School of Architecture,
REVA University, Bengaluru

The School of Architecture, REVA University, established in 2015, has consistently improved its academic and co-curricular activities. It offers a wide range of innovative teaching methods, learning procedures, which update to meet the industry's changing requirements and major stakeholders. We believe that our students will be well accepted in their careers and consistently exceed the corporate world's expectations.

The curriculum has been designed to strike a balance between professional knowledge and academics. The current curriculum enables budding architects' overall development to come up to the construction industry's expectations. The course is being taught by a distinguished faculty combining academic excellence and real-world experience with dedication and commitment.

My special thanks to my team members for taking the initiative to bring out this NEWSLETTER, which, in addition to our website and Facebook page, seeks to capture the school's exciting and informative events. I Thank our Honorable Chancellor, Dr. P Shyama Raju, Pro-Vice-Chancellor Dr. M. Dhanmajaya, to release the newsletter "Archchronicles" of the School of Architecture.

12th and 13th March 2021: School of Architecture REVA University, organized 2 Days virtual **International Conference, Between the Lines 2021**. The theme for the conference - **Manifold resilient built environment** was conducted on MS Team, and screened in Kalpana Chaala Hall, REVA University. Organizing team included Asso. Prof. Shubhi Sonal, Prof. Vimala Swamy, Prof. Rajesh Malik, Asso. Prof. Raghuteja Vemana and Asst. Prof. Anup Kumar Prasad. Keynote speakers included Ar. Sugeet Grover, Ar. Leena Kumar, Ar. Victor Ténez Ybern, Ar. Yashaswini Sharma, Ar. Harsha Sridhar and Ar. Svetlana Nenchewa

8th to 15th May 2021: As part of the Product Design studio, a two part international online guest lecture by **Prof. Philippe Casens on Design thinking and Complexity** for 10th Semester students and faculty members was organized by Asst. Prof. Sriviji Nachimuthu

29th -30th June 2021 : As part of the Virtual Knowledge Series 2.0, a webinar titled **Vaastu Shastra: The science of bending & shaping the 'Pancha Bhootas'** was conducted online by Smt. Sudha Pai, International Vaidic consultant, Bangalore moderated by Asst. Prof. Anup Kumar Prasad.

February 25th - 26th 2021: Vernacular Documentation Study for 4th Sem students at Mosale by Ar Shubhi Sonal, Ar. Sanjeev Koppar, Ar Nazish Abid, Ar Prerika Garg, Ar Kokhil S. The purpose of the trip was to gain an understanding of vernacular architecture in the Malenadu of Karnataka with reference to socio cultural context, planning, architectural character, climate, material availability and construction techniques. The knowledge gained was documented, analysed and applied for design of a Primary school within the same context.

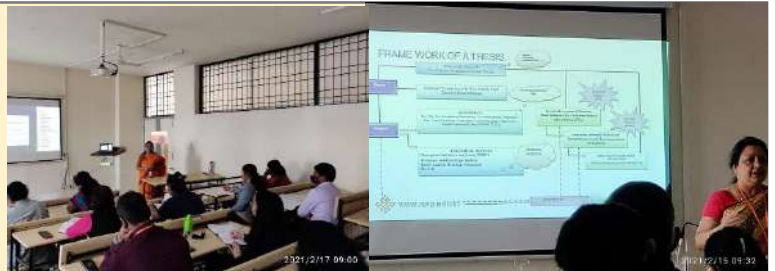

1st March 2021: Brick factory visit: A visit to S.R.B Brick Factory & Concrete Blocks Factory, Angalapura, Doddagubbi, Bangalore was organised by Ar.Divya Hemantharaj, Ar.Mahima Jagadeesh, Ar.Sneha Murthy, Ar.Sriviji N and Er.Shweta B. to get a hands-on experience of making of the bricks, to demonstrate and to understand the structure and composition of various brick bonds learnt in the SSBC I class. The students got the opportunity to understand materials, procedure and pricing in detail needed for making of the bricks and concrete blocks.

16th – 19th June 2021: BEING YOU: A journey to building self-esteem and confidence:

A two-credit certification course for the II semester students was conducted by Asst. Prof. Divya Hemantharaj to enhance the student's ability to be and express themselves for who they are, to take away knowledge and skills for their everyday being. The course spanned over four days, with two sessions conducted daily. A combination of lectures and discussions/interaction was planned that included topics such as "Introduction to Happiness & Hacks", "Confidence – Resilience Building", "Anxiety - Stress" and "Self- Time Management."

15th – 19th February 2021: Faculty Development Program – RE-SEARCH-1.0 (a formalized curiosity for betterment, provokes to study past and present scenarios to look further ahead) organised by Dr. Vimala Swamy, Prof. Shubhi Sonal, Assoc Prof. Raghuteja Vemana, Asst. Prof Anup Kumar Prasad Asst.Prof. Prerana Hazarika, & Asst Prof. Nazish Abid. in AV Room, School of Architecture.

22nd-23rd June 2021: Ar. Sriviji Nachimuthu moderated an online 2-Day Design conclave on new product ideas where final year students presented their work (developed furniture/products based on the theme 'Pirouette') to Ar. Suman D Nanjappa, Principal Architect, Taller-S Designs and several other dignitaries like Dr. Bhagavanulu, Dr. Kiran Kumari Patil, Director, UIIC, Dr. Vimala Swamy and Director Vidya Srikanth.

9th January 2021: SAMARTHANA-1.0.2021 - Alumni interaction session with the new batch: An end is just another Beginning was conducted by Asst. Prof Dr. Anupama RM and Asst. Prof. Shwetha. B as part of the **Cultural Club** activities at the Kalpana Chawla Hall for the alumni Batch of 2015 and 1st semester students 2020-21 as part of Alumni Student Mentorship Programme. In this event from the **Visual Art Club** students painted a **CARICATURE** of all the Alumni students for the event and presented them.

4th May 2021: Comic strip challenge was conducted by **Dr. Anupama R M** for all semester students on the pandemic theme. Artwork by Ashwin Kumar (4th sem)

11th & 20th May 2021: InQUIZitive : An Instagram quiz by Literary Club for all students and faculty (Prof. Shubhi Sonal, Asst. Prof. Ar. Prerika Garg – faculty in charge), was hosted by Vaidhooria (VI sem) & Lakshmi Priya (IV sem) on History of architecture and Contemporary Architecture.

22nd - 24th February 2021: Form Finding in Architecture, a Skill Development Program was conducted by Ar. Raghuteja Vemana, Dr. Anupama R M and Ar. Anup Kumar Prasad to introduce students to deriving architectural form from everyday objects. The workshop dealt with topics such as 'Texture from the Environment', 'Looking through the Frame'.

STUDENTS ACHIEVEMENT

2020: Anvitha C K, Sahithi C and Vinay J bagged the Best Studio Project Award, from Transparence 15.0

4th February 2021: As part of the National Energy Conservation Week organized by School of Mechanical Engineering, REVA University, Bengaluru in association with Karnataka Renewable Energy Development Ltd (KREDL) from 29.01.2021 to 05.02.2021, students of the Visual Arts Club attended a Rangoli Competition facilitated by Asst. Prof. Dr. Anupama R M at Saugandhika. **1st prize winners: Bharath & Rashmitha, 3rd price winners: Garnisha & Arnala**

STUDENTS PARTICIPATION IN EVENTS

12 Feb 2021: Mohd. Ammar Imran, Anushree K. R., Preksha Udupa, Samskruthi S Prabhu, Shreya S., Nikhila M. Babu and Rouza Khanum participated in a 90 day Volunteership programme at the India Pavilion at London Design Biennale (2021-22) curated by Ar. Nisha Mathew Ghosh contributing to research and capturing of data in the stories of innovation in sustainability via design.

FACULTY ACHIEVEMENTS

2021: Ar. Shubhi Sonal successfully defended her PhD thesis on the topic- "*In search of neighborhood Quality: Framework for quality -oriented densification of urban residential neighborhoods in Bengaluru*" and have been awarded with PhD in urban planning on June 30th, 2021 under the guidance of Dr. S. Kumar, Principal, School of Planning and Architecture, JNAFA University, Hyderabad.

2020-21: Ar. Rajesh Malik and Ar. Sneha Murthy's team was shortlisted for the final pitch in Pitch to Policy Competition, a building policy intervention competition from Green Building Performance Network with partner PS Collective, to support low carbon residential development in India.

January 2021: Ar. Shubhi Sonal presented a paper titled 'Subliminal identities: Gender shifting religious practices in South India.' at the International Conference-"Urban Religion, Gender and body" organized by Asia Research Institute, National University of Singapore

February 2021: Ar. Sneha M & Ar. Raghuteja V's paper titled 'Changing Dynamics: The Woman Archipreneur' published in the conference proceedings of SPARK '21- An International conference on Architecture and Beyond.

June 2021: Ar. Anup Kumar Prasad (Unity in diversity of the city Kolkata - photograph), Dr. Anupama R M (Blackout - painting), Ar. Shubhi Sonal, (Woes of the city - literary) and Ar. Shreya Mishra (Senora - painting) have registered their copyrights on their respective art works.

FACULTY PUBLICATIONS

2021: Dr. Vimala Swamy successfully authored a book titled **Smart Keys for Smart Eco-Friendly Cities** published by **BUUKS Publications**

2021: Ar. Shubhi Sonal & Ar. Anupadma R successfully authored a chapter in the book titled **Revolutionizing Geriatric Design in Developing Countries: IoT-Enabled Smart Home Design for the Elderly** published by **Scrivener Publishing, Wiley, New Jersey.**

May 2021: Ar. Prerika Garg has published a paper titled 'Impact of change in land use land cover LU/LC on variation of land surface temperature in Unnao Using Geo Spatial Techniques' in the international UGC Indexed Journal of Emerging Technologies and Innovative Research, Volume 8, Issue 5.

May 2021: Ar. Baishali Pradhan has published a paper titled 'STUDY ON THE SMART WATER SYSTEM BY USING SMART METERS AND IOT' in the UGC Indexed International Journal of Creative Research Thoughts, Vol. 9, Issue 5.

May 2021: Ar. Mahima J has published a paper titled 'VERTICAL FARMING: A precedence to attain sustainable urban food systems' in the UGC Indexed International Journal of Scientific Research in Engineering and Management (IJSREM), Vol. 5, Issue 5.

May 2021: Er. Nagaraj has co-authored and published a paper titled 'COALESCING INTERACTIVE STRUCTURAL STUDIES IN THE FIRST YEAR B. ARCHITECTURE STUDIO' in the UGC Indexed Journal of Emerging Technologies and Innovative Research (JETIR), Vol. 8, Issue 5.

May 2021: Ar. Gopisainath Grandhi has published a paper titled 'URBAN WATER SUPPLY AND SANITATION: A CASE STUDY OF KAVALI TOWN' in the UGC Indexed International Journal of Creative research thoughts (IJCRT), Vol. 9.

June 2021: Ar. Rajesh Malik has published a paper titled 'Towards a holistic energy analysis of buildings- the Life Cycle Analysis way' in the international UGC Indexed International Journal of Creative Research Thoughts, Volume 9, Issue 5.

June 2021: Er. Nagaraj S., Santhosh R, Chetan K.M have published a paper titled 'Quality Assessment of Concrete utilising Treated waste water' in the Q3 rated International Turkish Journal of Computer & Mathematics Education, Vol. 12, Issue 10.

29th April 2021: expert online Lecture on Campus Planning delivered by Ar. Dhanakoti coordinated by Director Ar. Vidya Srikanth as part of Architectural Design V studio (coordinators: Ar. Kiruthika selvi, Ar.Baishali Pradhan) Objective is to understand the role of Architects in designing a campus. Students are to design a Campus of design University near Kankapura road. To enhance the student's knowledge on user perception, campus design parameters and to support the design process through this online expert lecture.

6th April 2021: Special online Lectures on Contour Analysis & Master Planning delivered by Ar. Meghana K Raj (Assoc prof. Ramaiah institute of technology) on Contour analysis and Ar. Divya Susanna Ebin (Asst prof. Ramaiah institute of technology) on Master Planning coordinated by Director Ar. Vidya Srikanth as part of Architectural Design V (studio coordinator: Ar. Anup Kumar Prasad, Dr.Vimala swamy, Ar. Kiruthika selvi, Ar.Baishali Pradhan. The objective is to understand the role of Contour reading and analysis which gives direction to perceive future design process and elements. As part of Architecture Design IV, students are to design a Campus of design University near Kankapura road. To enhance the student's knowledge on practical application of imaginary lines and intersections of levels, to understand the topography and to support the design process through this online expert lecture.

26th February 2021: ABHIVRIDHI – a Community Outreach Program was conducted at Devanahalli Taluk, ccoordinated by Asst. Prof Dr. Anupama R M, Asst. Prof. Nagaraja S at GOVERNMENT HIGH SCHOOL JALIGE with students of first semester, as part of Basic Design and Visual Arts studio. They carried out a video exercise involving the eight prominent principles of design, namely Balance, Proportion & scale, Rhythm, Emphasis, Harmony, Unity, Variety and Contrast.

THE WORLD IS OUR CLASSROOM.....

SEMINAR, WORKSHOP SITE VISITS AND TOURS CONDUCTED FOR STUDENTS

The School of Architecture, REVA University established in 2015 has recorded consistent improvement in its academic and co-curricular activities. It offers a wide range of innovative methods for teaching, learning procedure, which updates to meet the changing requirement of the industry and major stakeholders. We believe that our students will be well accepted in their career and will consistently exceed expectations of the corporate world.

The curriculum has been designed to strike a balance between professional knowledge and academics. The current curriculum enables overall development of budding architects to come up to the expectations of the construction industry. The course is being taught by a distinguished faculty combining academic excellence and real world experience with dedication and commitment.

My special thanks to my team members for taking the initiative to bring out this NEWSLETTER which, in addition to our website and face book page, seeks to capture the exciting and informative events of the school.

I also thank our Honorable Chancellor Dr. P Shyama Raju, Vice Chancellor Dr. S. Y. Kulkarni and Registrar Dr. M. Dhanmajaya for giving us an opportunity to release the newsletter “Archchronicles” of School of Architecture.

Prof. Dr. Vimala Swamy
Director, School of Architecture
REVA UNIVERSITY

21st June -27th June : Europe study trip was organized for students of Architecture comprising Paris, Amsterdam, Brussels. A team of 20 students and faculty visited places of Architectural significance

23rd July 2018: “East India Study tour was organized for 3rd semester student’s were taken for a campus visit and the places with architectural interest of Hindu, Islamic and Colonial Architectural styles as part of History. Coordinated by Asso. Prof. Kokila Mohan and Asst. Prof. Anup Kumar Prasad.

01st August 2018: Three day workshop has been conducted on Abstract representation of 2D, 3D and Space model making in Architecture by Prof. Shubrajit Das. Co ordained by Asst. Profs. Anup Kumar Prasad, RaghuTeja Vemana and. Ujjal Halder.

17th and 18th August 2018: RUSOA proudly hosted a two day International conference – “Between The Lines 2018 ” on Architecture and Urban Planning. Convened by Dr. Vimala Swamy, Director, School of Architecture. The event was coordinated by Prof. Rajesh Malik, Assoc. Prof. Vidya Srikanth and Assoc. Professor Shubhi Sonal.

25th August 2018: A technical talk on “The Glass Facades (Structutral Glazing) was organized for 5th semester students. Co ordained by Asso. Prof. Rajesh Malik.

5th September 2018: Delegates from Universitat Politecnica De Catalunya (UPC), Barcelona visited School of Architecture for signing an MOU.

21st September 2018: Three day workshop was formulated on “Form Finding Architecture” for both 1st and 3rd semester by an Artist Shubhankar Prasad. Co ordained by Asst. Profs. Anup Kumar Prasad, RaghuTeja Vemana and. Ujjal Halder.

22nd September 2018: Site visit was organized to Kempegowda International Airport, Bangalore as a part of academic purpose. Co ordained by Architectural design faculty Asst. Profs. Anup Kumar Prasad, RaghuTeja Vemana and Ar. Kumaresh S.

01st October 2018: “World Architecture Day” was celebrated in presence of Ar. Chitra Vishwanath to show appreciation for the works of architects and on this occasion winning students were honored with certificates for their excellence in Academics and extra curricular activities.

02nd October 2018: A Colonial heritage walk was conducted fro 3rd semester students on Colonial architecture and characteristic style of that style as a part of the syllabus for History of Architecture. Co ordained by Assoc. Profs. Vidya Srikanth and Shubhi Sonal accompanied by Asst. Profs. Ar. Shama Parween, Ar. Ujjal Halder and Ar. Raghuteja V.

14th October 2018: Visit to ChitraKala Parishanth, Bangalore, for 1st semester students. Co ordained by Asst. Profs. Anupama R M and Anusha A.

27th October 2018: Workshop on Ärchitecture as a career option” was conducted for PU students in the REVA University campus. Co ordained by Asst. Profs. Kiruthika Selvi, Shilpa M Prabhu and Yahaswini N guided by Asso. Profs. Vidya Srikanth and Shubhi Sonal.

30th October 2018: Site visit were taken to Brick factory at Angalapura in Bangalore for 1st semester students. Co ordained by Asso. Prof. Paul Puttor and Asst. Profs Shwetha B and Harshitha D.

03rd November 2018: Workshop on Geodesic Dome was conducted in REVA University campus for 5th semester students. Co ordained by Asst. Profs. Shama Parween, Guru Prasad Pandit, Kiruthika Selvi, Shilpa M Prabhu and Ujjal Halder.

13th November 2018: Students of 1st year were taken to soil testing laboratory, RevaUniversity. Coordinated by Asso. Prof. Paul Puttor and Asst. Prof. Shwetha B.

30th November 2018: Kalakruthi 2018 – Interschool Art and essay writing competition was conducted in Reva University campus for IX, X, 1ST and 2nd year PU students of Bangalore schools and colleges. Coordinated by Asso. Prof. Shubhi Sonal and Asst. Profs. Sanjeev Koppar and Kiruthika selvi and assisted by other faculties.

STUDENT PARTICIPATION IN COMPETITIONS/ EVENTS

18th October 2018: Students across all semesters had participated and won in various informal events in ZONASA 2018 - Theme: VIVARTA, conducted by SIT, Tumkur.

Innovative project-“ Multi Purpose Facades” by Moonish S.(VIIth sem) selected for incubation and funding by MSME.

Innovative project-“ The &Droids” by Dhruv M.(Vth sem) selected for incubation and funding by MSME.

30th October 2018: Students of 7th semester has sent their entry to INSDAG, Airport Design Contest.

FACULTY ACHIEVEMENTS / AWARDS/ PUBLICATIONS

Research papers published by Faculty and Students of Architecture in the International Conference proceedings of BETWEEN THE LINES 2018 with ISBN-978-93-86724-97-7, organised by School of Architecture, REVA UNIVERSITY.

Dr. Vimala Swamy ,Pranathi, Ranjith, Tejaswin, published paper on The Photo-face- The Zero Energy Building - a case of Photovoltaic facades,

Vidya Srikanth, published paper on Bhakti Movement: Shaping Temple form and Spatial Planning in South India.

Preeti S Dhanwat, Dr. Vimala Swamy, published paper on Historic Settlement of Wai: Cultural Manifestation of the Sacred Narrative.

Anupama R.M., published paper on Life through Puppets.

Ar.Raghu Teja Vemana and Kosuru Srivalli published paper on Urban floods – A Study specific to Hyderabad and Vijayawada City.

Ar. Shubhi Sonal, Chaitra Anand, Gazala Malik , Raina Bafna, published paper on Social and interactive spaces in an institutional campus: Designed v/s incidental spaces.

Shwetha B, published paper on Effectiveness and performance of changing reinforced concrete Shear wall location on multi-storeyed building in OMRF & SMRF.

Anup K Prasad, Priyanka Nair, Syed Jasim Fazil, Vidya Vijayan, published paper on Aesthetic acoustics- Experience the good sound.

Rajesh Malik, Kumar Rishav, Spurthi Aswath,Harshith Naik, published paper on Healing through spaces: A study on the ability of spaces to enhance healing.

Neeraja Jayan, published paper on Re-Examining the Historical Narratives of Cultural Landscapes in South India

Shubhi Sonal, Dr. S. Kumar published paper on Tracing high density urban residential areas: Case of Bangalore,

Anup Kumar Prasad published paper on The business of education system and Architectural practice in India

22nd September 2018: Published as a book chapter by Ar.Shama Parween, on Changing dynamics of Indian Cities, A case study of Katra Neel, Shahjahanabad, International Conference on Architecture, Built Environment & Urban Planning.

Ar.Shama Parween, “Urban water conservation-learning from the past: comparative study of urban wetlands and manmade water bodies ” at Engineering Sciences International Research Journal.

Prof. Rajesh Malik, "A Fresh Perspective on Energy Efficiency in Building Materials in India Context", International Journal of Scientific Research and Engineering Studies (IJSRES)“.

Vandana Dhaval Pusalkar & Dr. Vimala Swamy, “Sustainable urban water management approaches for cities health & Hygiene..(SWACHH)", "International Conference Proceedings of Paradox to Paradigm“.

Ar. Vidya Srikanth, "Impact of Heritage on the Vernacular Settlement: A case study of Aretipur", "International Journal of Engineering and Manufacturing Science“.

Ar. Vidya Srikanth & Ar. Shubhi Sonal, "Start Smart, Stay Smart: Use of smart phones in Architectural Pedagogy", "Paradox to Paradigm, Architecture in the age of Network Society, International Conference.

Ar. Shubhi Sonal, "Evaluating Social Inclusion in urban transportation", "International Journal of Engineering and Manufacturing Science“ 2018.

Ar. Anup Kumar Prasad, "An investigation of origin and authenticity of smart city revolution", "International Journal of Engineering and Manufacturing Science“.

Neeraja Jayan, "Financial framework for the Heritage Management in commercial areas", "International Journal of Engineering and Manufacturing Science“.

'Building our new self-image'

And

Reaching new possibilities. . . .

*We are happy to share with you some
snapshots of this eventful academic year*

FACULTY ACHIEVMENTS/AWARDS/PUBLICATIONS

01st July to 5th Aug 2017: Sneha Murthy participated in **IGBC Green League** organized by CII Indian Green Building Council.

July 2017: Sneha Murthy received the **Best Guide Award in Abhigyan 2017 – Innovation Challenge** conducted by REVA University Industry Interaction Center.

15th Sept, 2018: COATRC, Faculty Development Program on New approaches in Pedagogy at Dayanand Sagar School of Architecture - Vidya Srikanth delivered a talk **“Back to the future”, Rural documentation studio: Case study on Aretipur.**

3rd Oct, 2017 Shubhi S., Served as panel member in the session- **planning for learning spaces at International conference** held at Brindavan College of architecture, Bangalore.

24-27th Oct 2017: Shubhi S., Maitreyi Y."Data driven approach towards Inclusive urban transportation: A case of Hyderabad", Paper presented by coauthor at ISOCARP Joint Conference on Smart Communities, Portland, Oregon, USA

11th – 15th Dec, 2017: Ar. Sneha and Ar. Neeraja attended the **5day faculty development programme ARCHITEXTS**, at Dayanand Sagar college of architecture, conducted by COA-TRC

16th Dec 2017: Sneha Murthy qualified the **Indian Green Building Council Accredited Professional Examination.**

2nd to 4th February 2018: **66th National Town and Country Planners** Conducted by **Institute of Town Planners of India, New Delhi** is attended by Prof. Raghu Teja Vemana.

18th Feb 2018: **“Rama katha vismay Dance show form Abhinava Dance Company”** makeup and outlook Manager Anupama.R M.

Feb 19th 2018: Er. Uthpala R V attended one day workshop on **“Research Methodology”** organized by School of Civil Engg, BMSIT, Bengaluru.

2nd Mar 2018: “First REVA Research Conclave” **Art work Installation** Co-ordinator Anupama.RM accompanied by Mohamed Intiazulla khan.

1-2ns March 2018: Associate Prof. Vidya Srikanth published an article on **“Impact of Heritage on the Vernacular Settlement: A Case study of Aretipur”** in International journal of engineering and manufacturing Science

1-2ns March 2018: Associate Prof. Shubhi Sonal published an article on **“Evaluating Social Inclusion in urban transportation”** in International journal of engineering and manufacturing Science

1-2ns March 2018: Anup Kumar Prasad published article on **“An investigation of origin and authenticity of smart city revolution”**. In International journal of engineering and manufacturing Science

9 – 10th Mar 2018: Ar. Vidya Srikanth & Ar. Shubhi Sonal Published paper on **“Start Smart, Stay Smart: use of smart phones in Architectural Pedagogy”** in International Conference Proceedings of Paradox to Paradigm, Architecture in the age of Network Society

9 – 10th Mar 2018: Dr. Vimala Swamy published research paper (2nd author) on **“Sustainable urban Water Management Approaches for Cities Health & Hygiene(SWACHH)”** in International Conference Proceedings of Paradox to Paradigm, Architecture in the age of Network Society.

9 – 10th Mar 2018: Dr. Vimala Swamy Presented and Published research paper (2nd author) on **“The paradigm Shift: Religious Built Heritage within Traditional Neighbourhoods”** in International Conference Proceedings of Paradox to Paradigm, Architecture in the age of Network Society.

9 – 10th Mar 2018: Neeraja Jayan published article on **“Financial framework for the Heritage Management in commercial areas”** in International journal of engineering and manufacturing Science

Jan - June 2018: Asst. Prof. Neeraja Jayan - **Paper published** titled **“Traditional Wisdam Vs. Modern Ignorance”** in UGC indexed National Institute of Urban Affairs Journal

'Building our new self-image'

And

Reaching new possibilities....

We are happy to share with you some

snapshots of this eventful academic year

The School of Architecture, REVA University established in 2015 has recorded consistent improvement in its academic and co-curricular activities. It offers a range of innovatively designed activities which updates to meet the changing requirement of the industry and major stakeholders. We believe that our students will be well accepted in their carrier and will consistently exceeds expectations of the corporate world.

During their academic period at the school, the students are encouraged to get hands-on experience on few subjects like building construction, structure, design. In their curriculum they are encouraged to take up mini projects to supplement theoretical knowledge with practical experience in the corporate world through internship projects with reputed organizations. Students also undertake live projects dealing with local problems. These projects enable them to understand the relevance of working in a group and also help them to realize the finer aspects and importance of teamwork.

There will be an events organized by students such as REVART, REVAMP (Inter-collegiate Extracurricular and co-curricular events), participate in architectural competitions organized by other colleges, Industries and also get involved in activities of social relevance. With all these inputs one finds our students hardworking, practical-oriented and effective in any work environment.

The curriculum has been designed by academicians and industry experts to strike a balance between professional knowledge and personal skills. The current curriculum has been enabled overall development of budding architects to come up to the expectations of the construction world. The course has been taught by a distinguished faculty combining academic excellence and real world experience with dedication and commitment.

My special thanks to my teammates for taking the initiative to bring out this NEWSLETTER which, in addition to our website and face book, seeks to capture the exciting and informative events.

ARCHRONICLES

July 2017 to Feb 2018

A semester of team building...

A semester of inspiration...

A semester of innovation...

A semester of celebration...

*We are happy to share with you some
snapshots of this eventful academic year.*

The School of Architecture, REVA University established in 2015 has recorded consistent improvement in its academic and co-curricular activities. It offers a range of innovatively designed activities which updates to meet the changing requirement of the industry and major stakeholders. We believe that our students will be well accepted in their carrier and will consistently exceeds expectations of the corporate world.

During their academic period at the school, the students are encouraged to get hands-on experience on few subjects like building construction, structure, design. In their curriculum they are encouraged to take up mini projects to supplement theoretical knowledge with practical experience in the corporate world through internship projects with reputed organizations. Students also undertake live projects dealing with local problems. These projects enable them to understand the relevance of working in a group and also help them to realize the finer aspects and importance of teamwork.

There will be an events organized by students such as REVART, REVAMP (Inter-collegiate Extracurricular and co-curricular events), participate in architectural competitions organized by other colleges, Industries and also get involved in activities of social relevance. With all these inputs one finds our students hardworking, practical-oriented and effective in any work environment.

The curriculum has been designed by academicians and industry experts to strike a balance between professional knowledge and personal skills. The current curriculum has been enabled overall development of budding architects to come up to the expectations of the construction world. The course has been taught by a distinguished faculty combining academic excellence and real world experience with dedication and commitment.

My special thanks to my teammates for taking the initiative to bring out this NEWSLETTER which, in addition to our website and face book, seeks to capture the exciting and informative events.
