Dear sir

Sub: Intent to submit Thesis

With reference to the above, I certify that the following are my original contributions from my research work titled "....." and that I have fulfilled all the objectives of my research.

- List of original contributions with detailed explanation
- Contribution 1
- Contribution 2
- Contribution 3

My publications with REVA affiliation are listed below:

1. Details
2. Details
3. Details with indexing

I request you to permit me to appear for pre-thesis submission colloquium.

Name and signature of the scholar

Certificate from Supervisor / Co Supervisor

Sl. No.	Requirement	Yes/No
1	Title of the Research work is properly framed.	
2	Exhaustive literature survey including the most recent papers published has been carried out by Candidate:	
3	Research gaps are identified correctly based on the literature survey	
4	Problem definition is framed properly	
5	Number of Research Objectives defined is at least 3 or 4:	
6	Whether the set objectives are original?	
7	Whether all the defined research objectives are achieved? Following points should be considered wherever applicable a) Name the objectives for which a new algorithm/method/process/discovery/circuit/hypothesis is developed b) Name the objectives for which existing algorithms/methods/processes/discoveries/circuits are modified and hybrid approach is developed. c) Name the objectives for which only existing algorithms are used. (provide details separately)	
8	Whether the original results are properly Presented and discussed?	
9	Whether the results of the proposed methods are compared with the results obtained in most recent relevant articles?	
10	Whether at least two articles based on research objectives are published in scopus/web of science/SCI indexed journals	
11	Whether the published articles are in free journals ?	
12	Whether the published articles are currently available online?: If yes , Provide the link: Article 1: Article 2:	
13	Whether a draft copy of the thesis is ready	
14	Whether all the corrections suggested by DC committee members have been incorporated in the thesis?	
15	Whether all the interim and biannual reports submitted?	
16	Whether the Examiners' list for evaluating Thesis contains foreign/NIT/IITS/IISC Faculty members	

This is to certify that our scholar _____ has made significant contributions towards the research topic and hence we recommend for the conduction of pre-thesis submission colloquium.
