Welcome to Bengaluru!

One of the fastest-growing metropolises and the capital city of Karnataka, Bengaluru, is a vibrant city with a rich mix of the traditional and the contemporary. The nearly 500-year-old city is a perfect confluence of art and architecture, tech-innovation and modern industries, while it remains a wondrous city that is popular for its pleasant climate all throughout the year. Over time, the city has evolved from its celebrated identity of the 'Silicon Valley of India' to the epicentre of Innovation. Decades ago, a roadmap to modern industrial growth in the fields of Science and Technology, IT, Defence, Pharmaceuticals, and Aeronautical among many other areas were first laid in Bengaluru. Organisations like HAL, HMT, BEL, ITI, ISRO, DRDO, NAL, Infosys, and Biocon that changed the face of the Indian economy and brought international fame to India were birthed here. Today, Bengaluru, along with being home to more than 13,000 active start-ups, is the most sought-after cosmopolitan city for international tech giants like Google, Amazon, CISCO, and others. Home-grown IT moguls like Infosys and WIPRO still have their head offices in the city. A home away from home for millions of students and the working population, Bengaluru is a land of opportunities for all. It promises safety, comfort, and success to everyone who chooses to make the city their home.

Welcome to 'Namma Ooru.'

ABOUT REVA UNIVERSITY

Building Dreams. Designing Future.

REVA University is a State Private University established in Karnataka State under the Government of Karnataka Act No. 13 in the year 2013 in Bengaluru, the IT capital of India. REVA University is recognised by the University Grants Commission (UGC) and is approved by the AICTE (All India Council for Technical Education) and is accredited by NAAC. As per the QS Asian University Rankings 2023, REVA is ranked 6th among State Private Universities in Karnataka and 47th in India.

REVA University prides itself in contributing to every student's holistic development. The University currently offers 39 full-time Under Graduate Programmes, 32 full-time Post Graduate programmes, 18 PhD programmes, and certification and diploma programmes. The University offers programmes under the faculty of Engineering, Architecture, Science and Technology, Commerce, Management Studies, Law, Arts & Humanities, and Performing Arts & Indic Studies. Courses are offered in Certificate/Diploma and Post Graduate Diploma too. REVA University facilitates research leading to a Doctoral Degree in all disciplines. The programmes offered by REVA University are well-planned and designed based on methodical analysis and research with an emphasis on knowledge assimilation, practical applications, hands-on training, global and industrial relevance, and their social significance.

The University is spread over 45 acres of land and has a sprawling green campus. In less than a decade, REVA University, Bengaluru, has established itself as a leader in the field of education by earning recognition as a forward-thinking institution across all disciplines. With state-of-the-art infrastructure, the University has created a vibrant academic environment conducive to higher learning and research. This includes 200 smart classrooms that support blended learning, real-industry-like labs that foster on-the-job learning in students, a tech-enabled library with over 1 lakh collection of books, and most importantly, modern pedagogy. In addition to this, the physical infrastructure includes outdoor classrooms, sports grounds, a professional gym, open study parks for peer learning, and a food court that has been countered by popular food chains. REVA currently has numerous students on campus that come from all around the country. The campus has exclusive Halls of Residence which provides comfortable accommodation for boys and girls, apart from catering to the needs of all cuisine and ensuring adequate amenities are provided to make their stay an extended home.

The programs offered by REVA University are well planned and defined after a detailed study of the industrial need, social relevance, and global job markets. Highly qualified and experienced faculty and scholars from reputed universities / institutions, and experts from industries and business sectors have contributed to preparing schemes of instruction and curricula for these programs. The Choice-Based Credit System and Continuous Assessment Grading Pattern (CBCS – CAGP) of education are in place in all the programmes to facilitate students to opt for the subjects of their choice in addition to the core subject of study. The system also allows moving forward under the fast track for those who have the capabilities to surpass others.

REVA University has initiated many supportive measures such as bridge courses, special coaching, remedial classes, etc., for slow learners to give them needed input and build in them confidence and courage to move forward and accomplish success in their careers. The Training & Placement Cell sets specific goals so that the students are equipped and become the preferred choice for major companies and industries.

REVA University has a Career Development Centre that assists students in choosing the right career path through interest mapping and training for experts and imbibing skills so that they are well-equipped during the transition from campus to corporate. With the aim of creating mutual value in the educational ecosystem, REVA has a University Industry Interaction Centre (UIIC) that acts as the strategic centre to promote collaboration among academicians, scientists, and industrialists, thereby broadening the scope of innovation and entrepreneurship ecosystem.

REVA also has added a social dimension to its corporate initiatives. REVA has now moved on to become a Social Impact University and has aligned with the United Nations Sustainable Development Goals by developing projects like Jagruti, Abhivriddhi, Vanamahotsava, Education on Wheels, Panchavaktram, Abhivyakti, Nyaya Darshana, Samavesha, Pragna among others. Through these projects, REVA makes sure that they are making a difference in the social and economic well-being of the communities through teaching, research, social activities and other programmes.

Since its inception, REVA continues to strive to be the top education destination in India, offering the country's most advanced and futuristic education. With the current trends in mind, REVA moulds students to work in a post-pandemic world and adjust to the new ways of work culture.

MESSAGE FROM THE CHANCELLOR

Dear Game Changers,

Welcome to REVA University!

Let me address the student populace as 'game-changers' because we at REVA, believe in the phenomenal power of the youth, and their powerful ideas. As students, you hold the power to transform society and change the paradigm of every development – economic, social, and cultural. At REVA, we believe in giving our students a supportive and nurturing environment that cherishes innovation, creativity, independent thought, diversity and multiculturalism. We are driven by the philosophy that "Knowledge is Power" and we are striving to build a community of perpetual learners who can achieve everything they aspire to. To build such a community, learning should be continuous, and cross all borders. Hence, REVA University has adopted the mission to make learning unlimited. Our driving principle of 'Learning Unlimited' is empowered with the adoption of technology. As a Social Impact University, our aim is to create socially responsible global citizens who can lead businesses, transform society and the country in the future.

As you all know, REVA University has in alignment with the NEP 2020 built the road map of the University; focusing on four SDGs of prime importance: SDG IV, SDG V, SDG XI, and SDG XVII in keeping with this aspiration of the Hon'ble Prime Minister, Shri Narendra Modiji. The SDGs work together to create holistic sustainable development, which is essential for higher educational institutions. As a pioneer in Higher Education and with the potential and capability to bring about change, we have aligned with these SDGs and hope to spread the message to a larger group of people.

As part of our contribution towards SDGs, we have conducted a series of events like Jagruti & Abhivriddhi towards the adoption of villages and their development; Abhivyakti towards support to K 12 education; Vanamahotsava, towards sustaining the climate; Pragna towards civic responsibility; Nyaya Darshana towards empowering women lawyers; Samaavesha towards inclusivity of transgender and Panchavaktram towards spreading the Indian Knowledge System through the rich Indian dance and heritage.

The ecosystem at REVA University is not only tech-centred but it is also developed in such a way that it contributes to the overall development of a student. Our exclusive executive programme RACE (REVA Academy for Corporate Excellence) has been ranked 2nd in India for MBA in Business Analytics, REVA NEST- the Start-Up Incubator, is all designed to make our students ready for the corporate world.

I want our students to enter the world with vibrant creative energy and innovative ideas thereby advancing the frontiers of knowledge and research. As a Social Impact University, REVA is committed to this mission and looks forward to working together and providing a positive paradigm in the higher education field.

As a step ahead, our UIIC (University-Industry Interaction Centre) programme allows students to interact and learn from industry leaders. The UIIC is an exclusive programme of the University and a key enabler in bridging the gap between academic life and the corporate world. Going forward, we aim to make all the disciplines at par with our exclusive programmes, and REVA aspires to be a coveted multi-disciplinary institution.

REVA has now moved on to become a Social Impact University by aligning with the SDGs. I hope that through the events conducted in accordance with these goals, we develop a social connection with leadership qualities, ethical and moral values, research culture, and innovative skills through higher education of global standards.

True leaders and game-changers are made when a University takes it on its shoulders to mould personalities and gives life to the ideas of its students. As the Chancellor of the University, I want to ensure that all the REVAites have equal opportunity to explore and learn in such a way that it transforms both the individual lives and the future of our society, nation, and beyond. With the dedicated efforts of our eminent faculty members, I am certain REVA University students will be guided and mentored in such a way that they will be the game-changers of tomorrow.

Dr. P. Shyama Raju Chancellor, REVA University

MESSAGE FROM THE PRO CHANCELLOR

Dear REVAites,

Welcome to REVA University!

Yet another year has gone by as we overcome the pandemic rage. We, as an educating community, have faced several challenges during these times. Despite this, as REVA University we have accomplished many milestones this year. In fact, I consider the pandemic a positive challenge as it allowed us to discover our strengths and refocus on our IT infrastructure. As you all are aware, the foundation stones of REVA University are laid on the essence of academic pursuit and excellence. Excellence in any work can be achieved with utmost dedication, hard work, and perseverance. We, at REVA, have made this dictum our motto and our way of life in every single activity on campus.

Following the pandemic, higher education has undergone a considerable approach change and extraordinary expansion. By utilising the most recent technologies, REVA has also prepared to tackle the challenges by adapting to the demands of the worldwide community.

I want every REVAite to adapt to the learning culture that promotes your individual holistic development. As the torchbearers of higher education, we are dedicated to offering a platform that is inclusive, global, and responsible that improves student learning and enriches the experience.

I wish all REVAites a learning experience on par with international standards and the development of core competencies through the integration of information based on core values and ethics.

Umesh S Raju Pro Chancellor REVA University

MESSAGE FROM THE VICE CHANCELLOR'S DESK

Dear all,

Welcome to REVA University!

A strong believer and practitioner of the dictum —Knowledge is Power, REVA University has been on the path of delivering quality education by developing young human resources on the foundation of ethical and moral values, while boosting their leadership qualities, research culture and innovative skills. Built on a sprawling 45 acres of green campus, this temple of learning has excellent and state-of-the-art infrastructure facilities conducive to a higher teaching-learning environment and research.

The main objective of the University is to provide higher education of global standards and hence, all the programmes are designed to meet international standards. Highly experienced and qualified faculty members, continuously engaged in the maintenance and enhancement of student-centric learning environment through innovative pedagogy, form the backbone of the University. All the programs offered by REVA University follow the Choice Based Credit System (CBCS) with Outcome Based Approach.

In keeping with the aspirations of Honourable Prime Minister Narendra Modiji, REVA University has built the road map of the University with a prime focus on four SDGs: IV, V, XI and XVII. The United Nations Sustainable Development Goals are essential for holistic sustainable development, which is considered of prime importance for HEIs. It is essential for educational institutions to align with these SDGs and thereby make a change in society.

As pioneers in higher education, we have moved on to become a Social Impact University and aspire to become a coveted multi-disciplinary institution in the global education sector. REVA believes in the idea that true leaders are made when a University takes on its shoulder to generate better personalities and give life to the ideas of its students. With the current trends in mind, REVA moulds students to work in a post-pandemic world and adjust to the new ways of work culture.

Best regards,

Dr. M. Dhanamjaya, Vice Chancellor, REVA UNiversity

MESSAGE FROM THE DIRECTOR, ADMISSIONS

The globally changing paradigms have compelled academic institutions to foster a new breed of professionals – individuals equipped with adequate knowledge, subject–expertise, design thinking, technical skills creativity and innovation. REVA University is well rooted in the noble tradition of our core values and is phenomenally one of the most preferred destinations for higher education.

The University has consciously created a culture that values collegiality and accessibility, at all levels. REVA believes in providing technology-enabled quality education, with a high academic standard. We consider quality teaching and research, student transformation, and social impact, as the priority areas towards our commitment to nurturing talents, leaders and entrepreneurs for advancing the global economy.

With the dedicated efforts of our accomplished faculty, talented students and bright alumni, REVA believes to make significant progress on its path of continuous growth and innovation. To align with global needs and standards, the academic curriculum is exclusively designed with a flexible choice-based credit system and implements the Outcome Based Education System. The University offers a conducive environment for holistic education for students across the globe. Meticulous care and methodical planning are inculcated for students' support and progression at the campus and also at the Halls of Residence (REVA Hostel). The campus life for hostel residents gives them a real fun-filled learning experience, 24X7. The University is proactive in the sports and arts activities of its students. With ample work-and-play spaces and developed facilities, the students have access to hygiene and well-maintained sports and recreational facilities. The University provides exposure and opportunities to students to exhibit talents beyond education in fields not limited to media, theatre art and culture but also grooms them to work in cross-culture environments.

On the bedrock of our core values, REVA will continue to scale higher over the next decade to build a teaching and research University of international repute. We are confident that you will find REVA exciting, enriching and a strong powerful enabler to pursue your career goals. Invite you to experience REVA!

Once again from the entire REVA family, Welcome.

Dr. Niraj Singh Director, Admissions admissions@reva.edu.in

SCHOOL OF CIVIL ENGINEERING

B. Tech in Civil Engineering

Four Years undergraduate programme emphasizes on outcome based industry relevant curriculum to boost design thinking to design and build sustainable environment benefitting the society.

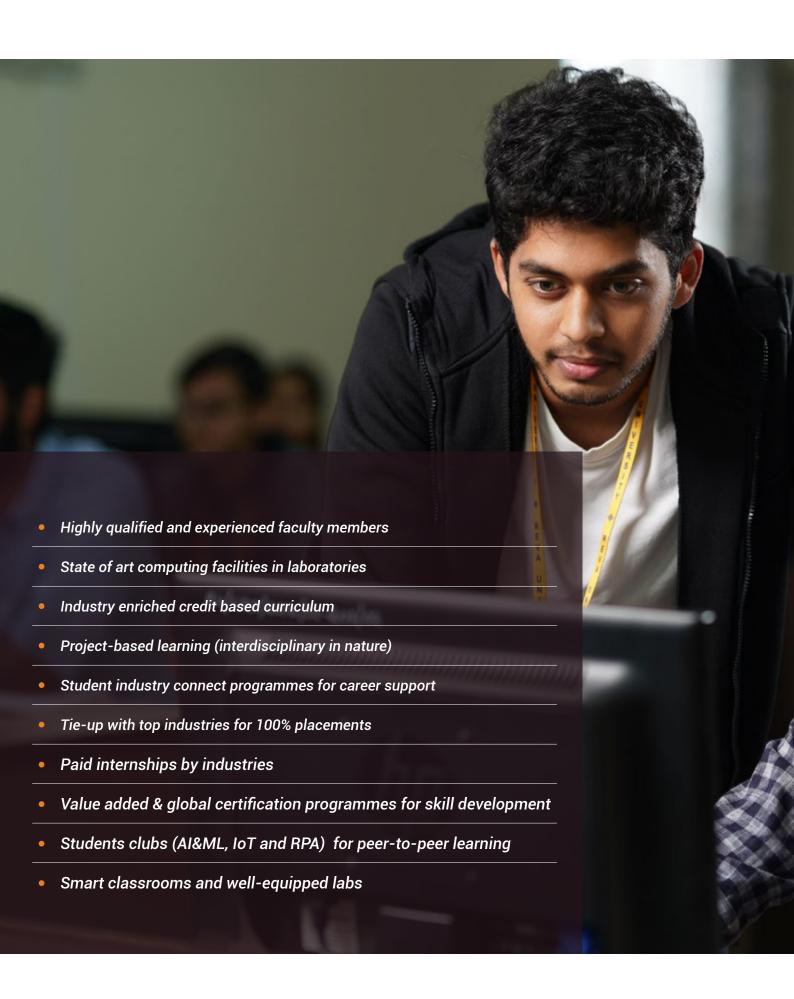

And also inculcate value based extracurricular activities through active students clubs and societies for holistic overall development of students that aids good opportunities in Govt. and Public Sectors.

PROGRAMMES OFFERED

- B.Tech in Civil Engineering
- M.Tech in Computer Aided Structural Engineering
- M.Tech in Construction Technology and Management
- M.Tech in Transportation Engineering and Management
- Ph.D. in Civil Engineering

To know more details

SCHOOL OF COMPUTING AND INFORMATION TECHNOLOGY

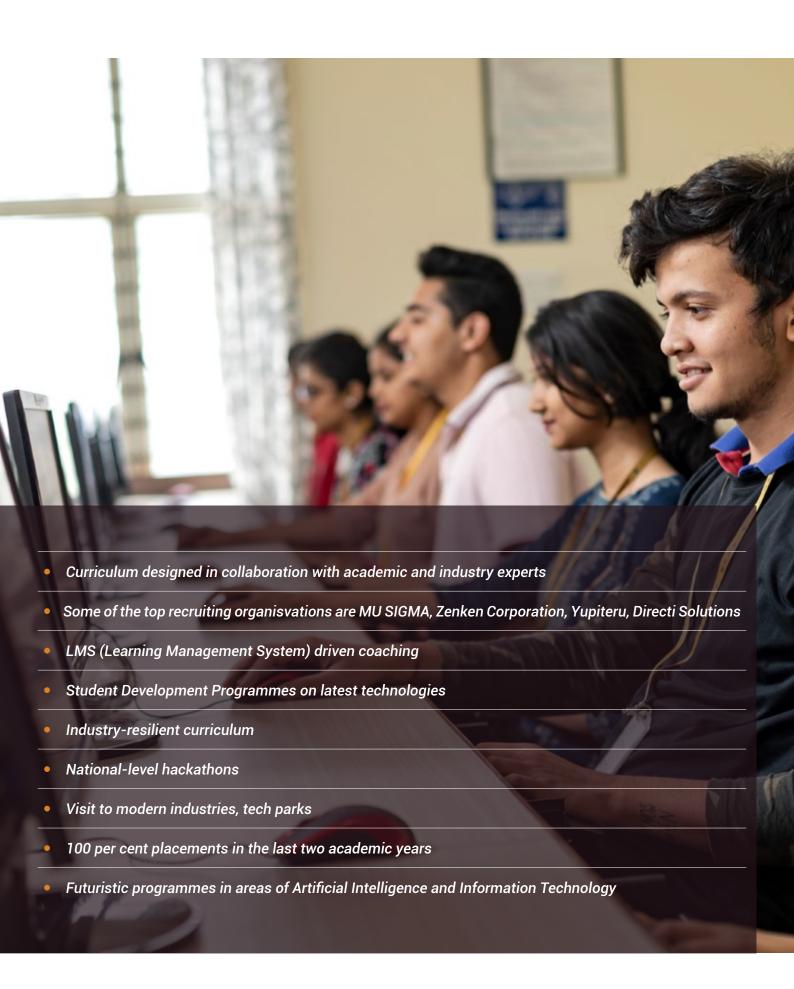

The School of Computing & Information Technology offers future-ready programmes that are widely popular and have high demand in various sectors. The School offers B. Tech and M. Tech programmes in various fields with specializations in most advanced technologies like Artificial Intelligence, Machine Learning, Data Sciences, and others.

The Masters' degrees focus on quality research and design in core application areas of Artificial Intelligence and Information Technology to enhance the quality of life by adopting innovative design techniques and applications.

PROGRAMMES OFFERED

- B. Tech in Computer Science & Information Technology
- B.Tech. in Computer Science & Engineering with specialisation in Al & ML
- B.Tech. in Information Science & Engineering
- B.Tech. in Computer Science and Systems Engineering
- M.Tech. in Artificial intelligence
- Ph.D. in Computer Science and Engineering
- PG Diploma in Artificial Intelligence & Machine Learning

SCHOOL OF COMPUTER SCIENCE AND ENGINEERING

The School of Computer Science and Engineering is one of the largest schools in the University. The school has highly qualified and seasoned faculty who are adept in various fields of Computer Science and Engineering, and state-of-the-art digital classrooms and laboratories with modern computing equipment to enhance the learning experience. The School is well-known for its world class academics, cutting edge research and industry connections.

The School offers various programmes: At undergraduate level, B. Tech in Computer Science and Engineering, B. Tech in Artificial Intelligence and Data Science and at Postgraduate level, M. Tech in Computer Science and Engineering (Full Time) and M. Tech in Computer Science and Engineering (Part Time). In addition, the School has a research centre to facilitate students to conduct cutting-edge research leading to quality PhD degree.

PROGRAMMES OFFERED

- B.Tech in Computer Science and Engineering
- B.Tech in Artificial Intelligence and Data Science
- M.Tech. in Computer Science and Engineering(Full Time)
- M.Tech. in Computer Science and Engineering(Part Time)
- · Ph.D. in Computer Science and Engineering
- B. Tech Computer Science & Engineering (IoT and Cybersecurity including Blockchain Techology)

SCHOOL OF ELECTRICAL AND ELECTRONICS ENGINEERING

The School of Electrical and Electronics Engineering is established with a mission to mould students to become skilled, innovative and game-changing engineers who can work towards creating a better society. The School imparts core electrical engineering knowledge with application-based computer software skills.

The School designs Industry oriented curriculum by consulting industry experts and best academicians across the world, to meet the current industry requirements.

The School's mission is to prepare students for a wide range of engineering career options in Core Electrical Industries, Biomedical Engineering, Aviation Industry, Computer Hardware & Software, Nano-electronic Chips, Photonics, Robotics and Renewable Energy Harvesting and Distribution.

- B.Tech in Electrical & Electronics Engineering
- M.Tech in Power & Energy Systems
- Ph.D. in Electrical and Electronics Engineering

SCHOOL OF ELECTRONICS AND COMMUNICATION **ENGINEERING**

The School of Electronics and Communication Engineering is envisioned to be a leading centre of higher learning with academic excellence in the field of electronics and communication engineering blended by research and innovation in tune with changing technological and cultural challenges. To nurture the spirit of innovation and creativity among faculty and students, the School is working towards establishing Centres of Excellence in niche technology areas.

The School's mission is to establish a unique learning environment to enable students to face the challenges in the field of Electronics and Communication Engineering and explore multidisciplinary subjects which serve the societal requirements through the stateof-art research facilities

- B. Tech. in Electronics and Communication Engineering
- B. Tech. in Electronics and Computer Engineering
- B. Tech. in Robotics and Automation
- M.Tech in VLSI & Embedded Systems
- (Full Time & Part Time)
- Ph.D. in Electronics and Communication Engineering
- M. Tech DCN

To know more details

SCHOOL OF MECHANICAL ENGINEERING

The School of Mechanical Engineering at REVA University Provides technological solutions to industrial challenges and engages in engineering research and innovation in the fields of design, analysis, testing, automation energy, and manufacture of a wide variety of mechanical components and systems.

The School has redesigned its curriculum in line with INDUSTRY 4.0 to solve problems of industrial and societal significance. The program makes students industry ready and competent to use the latest technologies.

The program of Mechatronics Engineering is developed in direct response to industrial demand for engineers with multi-disciplinary skills. The program allows engineers to design, construct and run production lines and automated processes, where they apply acquired knowledge in computers and programming, microcontrollers, programmable logic controllers, industrial sensors, hydraulic systems, pneumatic systems and electric drives, etc.

M. Tech. Machine Design Program has Industry Orientated Curriculum enriched with courses like Design Thinking, TRIZ Techniques, Machine Learning, Vehicle Dynamics, CFD, etc. It is Seamlessly Integrated with simulation Tools like MATLAB & Simulink, Hyper mesh, ANSYS Workbench, Adams, Vibration Measurement Lab, etc.

- B.Tech in Mechanical Engineering
- B.Tech in Mechatronics Engineering
- M.Tech in Machine Design
- Ph.D. in Mechanical Engineeing

To know more details

SCHOOL OF ARCHITECTURE

School of Architecture, REVA University has been setting impeccable standards with its ingenious tutelage and dynamic curriculum ever since its inception in the year 2015. B. Arch is a five-year undergraduate programmes that focuses on facilitating candidates to receive training and theoretical knowledge on designing built spaces using appropriate techniques and principles. The two year full time M. Arch in Environmental architecture has an industry oriented curriculum and pedagogy. The new offering from the school for the year 2022 is a Bachelors in Science in Interior Design.

- B.Arch
- M.Arch (Environmental Architecture)
- B.Sc /B.Sc (Hons) in Interior Design
- Ph.D. in Architecture

To know more details

SCHOOL OF COMMERCE

Commerce is one of the sought-after academic programmes at the Undergraduate, Postgraduate, and Research levels. The School of Commerce offers industry-integrated programmes that reduce the gap between industry and academia. The degree programme in Commerce provides scope to enter a wide range of business fields. This is reflected in various core subjects offered within the programme. The School also offers an M.Com programme facilitating various specialisations combined with projects and internships. Further, the School has research programmes leading to Doctoral degrees and undertakes funded projects and consultancy activities.

- B.Com Industry Integrated
- B.Com (Accounting & Taxation)
- B.Com (Accounting & Statistics)
- B.Com (Banking & Insurance)
- B.Com (Economics & Fine Arts)
- B.Com (Innovation & Entrepreneurship)
- B.Com (Marketing & HR)
- B.Com –(Corporate Governance & Auditing)
- M.Com

SCHOOL OF MANAGEMENT STUDIES

The School of Management Studies offers advanced undergraduate programmes in Business Management. With exposure to real-world challenges, introduction to financial management, and peer learning, students are instilled with the confidence and skills necessary to build businesses.

The School also offers training in Business Lab, where real-life situations are created for students to identify, analyse, interpret, and derive solutions that will address the challenges. Through such hands-on learning experiences, students are able to adapt themselves to solving real-world industry problems.

Along with this, the students can also pursue higher studies or work in international markets based on their interests. The School encourages students to pursue higher studies, secure job opportunities on completion of under-graduation.

- BBA Industry Integrated
- BBA (New Venture Planning & Family Business Management)
- BBA (Talent Management & Marketing)
- BBA (Branding & Advertisement)
- BBA (Banking & Finance)
- BBA (Business Analytics & Design Thinking)
- BBA (Strategy & Leadership)
- BBA (Hospital & Health Care Management)

REVA BUSINESS SCHOOL

A premium B- School offering MBA program, the REVA Business School offers modern business programmes crafted to nurture professionals with top managerial skills. The School is driven by the vision to build a community of transformational leaders and developers of enterprises who can add value to society.

The School has adopted innovative pedagogy to involve students in every stage of teaching-learning. Through modern curriculum and industry-relevant projects, students acquire skills in team management, troubleshooting, team building, and gain expertise in management skills.

PROGRAMMES OFFERED

MBA- (Dual specialization offered in)

- Finance
- HR
- Marketing
- Operations
- Strategy and Leadership
- International Business
- Entrepreneurship
- Banking and Insurance

SCHOOL OF COMPUTER SCIENCE AND APPLICATIONS

The School of Computer Science and Applications, was started, with a mission to mentor and nurture the young Computer Science enthusiasts. They are equipped to provide solutions to the global technological challenges and with a bent to Research and Innovation. The School has a strong blend of experienced faculty members, who are well-qualified in various fields of Computer Science, Mathematics and Applications of Information Technology like Big Data Analytics, Cloud Computing, and Wireless Networks to cater to the needs of the market and produce world class Computer Professionals.

- BCA
- B.Sc. Cloud Computing & Big Data
- B.Sc. Multimedia & Animation
- B.Sc. Cybersecurity
- MCA
- M.Sc. Data Science

SCHOOL OF APPLIED SCIENCES

The School of Applied Sciences offers Undergraduate and Postgraduate programmes that are incredibly fascinating and practical-oriented. These programmes are also conceived to conduct project-oriented studies and research. It mainly aims to attract talented youth and train them to acquire knowledge and skills that are useful to the industrial sector, research laboratories and educational institutions. The School presently offers B. Sc., M. Sc., Postgraduate Diploma and Research leading to Ph.D. in Physical, Chemical and Biological science disciplines.

- Intensive Certificate Course (ICC) in Intra Cytoplasmic Sperm Injection (ICSI)
- Intensive Certificate Course (ICC) in Laser Assisted Hatching & Embryo Biopsy
- Diploma in Clinical Embryology & Assisted Reproductive Technology (ART)
- PG Diploma in Clinical Embryology & Assisted Reproductive Technology (ART)
- B.Sc. Biotechnology, Biochemistry & Genetics
- B.Sc. Bioinformatics, Mathematics & Computer Science
- B.Sc. Microbiology, Chemistry & Genetics
- B.Sc. Mathematics, Statistics & Computer Science
- B.Sc. Physics, Mathematics & Computer Science
- M.Sc. Biotechnology
- M.Sc. Chemistry
- M.Sc. Mathematics
- M.Sc. Physics
- M.Sc. Microbial Technology
- M.Sc. Bioinformatics
- M.Sc. Clinical Embryology & Assisted Reproductive Technology (ART)

SCHOOL OF ALLIED HEALTH SCIENCES

The School of Allied Health Sciences provides hands-on-training to students along with sound foundation in science. REVA Health Centre realizing the need of academically trained Allied Health Care professionals provides the following courses B.Sc MLT (Medical Laboratory Technology), BSc Medical Radiology and Diagnostic Imaging, and B.Sc Nutrition and Dietetics in association with NABL hospitals and labs. At the Department, we train students with advanced and specialized techniques so that they can be part of this ever-growing industry and complement healthcare facilities. REVA University has initiated the School of Allied Health Sciences considering the upcoming "The National Commission" for Allied and Healthcare Professions Bill, 2020 passed in both houses of parliament by Government of India on 24 th March 2021. India will need over 5 million qualified health workers by 2030

- B.Sc. Medical Laboratory Technology
- · B.Sc. Medical Radiology & Diagnostic Imaging
- B.Sc. Nutrition & Dietetics
- B.Sc. Sports Science
- BPT Bachelor in Physiotherapy
- M.Sc. Biochemistry

M.Tech/MS in Cybersecurity

In Association with EC-Council, Microsoft Azure Cloud and Terralogic Inc.

India's First Research Driven

M.Sc. in Cloud Architecture & Security
In Association with AWS Academy & Microsoft Azure

Postgraduate Diploma Programs

Business Analytics | Cybersecurity | Artificial Intelligence | Cloud Architecture and Security

Certification Programs

Analytics/Data Science

- O Computer Vision Engineer
- NLP Engineer
- Machine Learning Engineer with AWS

Cybersecurity

- O Cybersecurity Architect
- Vulnerability Assessment and Penetration Testing
- Seneral Data Protection Regulation

Customized Programs in Data Science, Artificial Intelligence, Cybersecurity, and Leadership

The contents, duration, pedagogy and location can be customized, based on organizational needs.

Accreditations

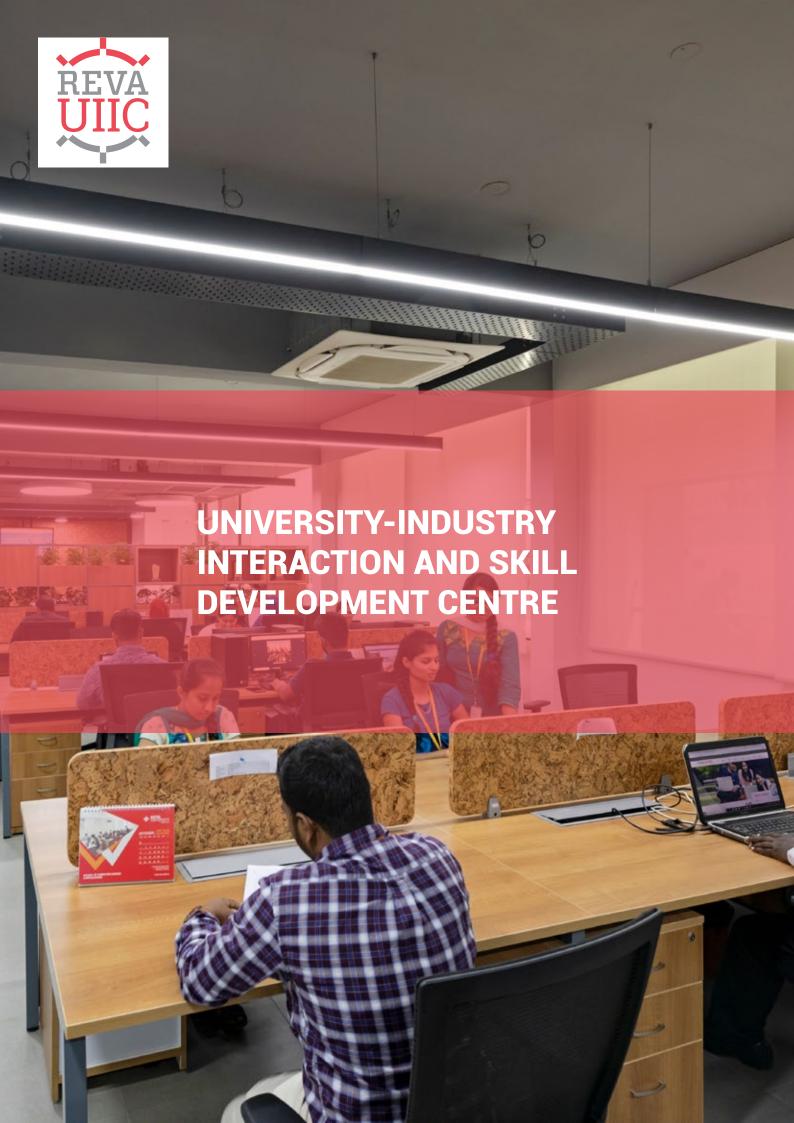

- AICTE and UGC Approved
- WES Recognized and Globally Valid

Bespoke Program Design

- Modular, Trimester, Fast Track Programs
- 100% Practical and Simulation-based
- 50 + Industry Leaders as Mentors and Trainers
- Weekend Instructor Led Classes
- Hybrid Mode of Program Delivery with Online support
- Industry-Grade Capstone Projects
- 24/7 LMS and Program Office Support

Placements

- Lateral Placement Assistance
- Average Salary Hike of 50%
- One-to-One Mentoring for Career Transitions

The University Industry Interaction Centre (UIIC) is one of the strategic centres committed to work as a catalyst for promoting collaboration amongst academicians, scientists and industrialists to achieve competitiveness in developing the technical manpower for socio economic development under the present scenario of global competition and challenges

- REVA Skills Development Academy. The Skills Development Academy is a progressively viable, self-sustaining institution, dedicated to the advancement of aptitude, skills and knowledge among students & faculty members.
- Innovation & Entrepreneurship Development Centre (IEDC) is functioning in the University with the intention of nurturing Innovation & Entrepreneurship skills among the students. IEDC is associated with EDII Ahmedabad. Students showcase their innovative ideas and participate in national and International events.
- Intellectual Property Rights Cell IPR Cell at REVA is working with a mission to create awareness and provide guidance to academic and non-academic staff, students, scholars and outside agencies on the practices and rules of the institute regarding intellectual property rights and obligations within the framework of the IPR policy of the University.

MODES OF ENGAGEMENTS

- Training and Internship
- Research Projects
- Incubation Center
- Work on cutting-edge technology
- Open Innovation
- Knowledge Transfer
- Develop Skills appropriate for Job/Entrepreneurship
- Consultation Work
- Product Commercialization
- Start-ups
- Mentoring

INDUSTRY COLLABORATIONS

- VMware
- Intel
- SalesForce
- Dell-EMC
- Assocham India
- Oracle
- NEN
- AMZ Automotive (formerly called Elite Techno Groups) Product Commercialization
- Imperial Society of Innovative Engg Mentoring
- TCS
- IBhubs
- IBM, Dexterous Lab, ISRO, NAL, BHEL

Research and Innovation at REVA

Research in REVA University is a culture, and to promote this the University offers Ph.D. programmes in various disciplines such as Engineering, Technology, Applied Sciences, Arts & Humanities, Commerce & Management, Performing Arts, Legal Studies and Architecture. The University provides seed funds to establish research centers and carry out research. All Schools engage in cutting edge research and have undertaken funded projects. Dedicated and qualified faculty members guide candidates to pursue research. Strict regulations complying with UGC are in place to ensure quality. The IPR (Intellectual Property Right) Cell, Incubation Centre, research circles mentored by senior members and supportive management make REVA a conducive place for research. The University conducts its flagship event "REVA Research Conclave" attracting best minds across the world engaging in enriching exchange of research outcomes for the benefit of faculty members and scholars. Incubation Centre, research circles mentored by senior members and supportive management make REVA a conducive place for research.

RAY FOUNDATION-REVA NEST

RAY (REVA Aspiring Youth) Foundation also known as REVA NEST, aims to build the entrepreneurial ecosystem by empowering and nurturing student start-ups and incubating innovative technology based start-ups at REVA University campus.

University faculty members and industry mentors associated with REVA NEST advise incubated companies on Technology Product Development, Patenting, Commercialization, Marketing, Business Set up and Operations, and Human Resource Sourcing and Development.

REVA NEST is recognized by MSME, supported by Government of Karnataka (KCTU), Department of Science and Technology. REVA NEST has access to the University's State-of-the-Art Centre of Excellence in the sector of Electronics and Communication, Design and Manufacturing, Construction and Bio-technology. It supports entrepreneurship by translating innovative technology ideas into successful ventures offering products, processes and services that greatly benefit the society at large.

REVA University offers a plethora of dynamic and engaging academic linkages with various international Universities across the globe. Our aim is to promote and develop integration of professional and academic education with top Universities that we partner with. The objective of the International Centre at REVA is to provide the best programs in collaboration with top-league International Universities so as to ensure students get the right cultural environment and learning at these Universities. The goal is to make knowledge accessible to students while pursuing their Under Graduate or Post Graduate Programs at REVA from a transnational community of academia under the expertise of international faculty and industry personnel. REVA invites students from all around the globe and also invites students at REVA to enroll in the various opportunities provided to study abroad.

Our Global Academic Partners:

- Columbia University
- University of California, Berkeley
- University of California, Riverside
- Coventry University, UK
- Ulster University, Ireland
- St. George's University, USA
- IQS School of Management Universitat Ramon LLull, Barcelona
- ETSAB, Barcelona
- University of Salford, Manchester

- RWTH Aachen University, Germany
- Lakehead University, Canada
- Georgian College of Applied Arts and Technology, Canada
- Arkansas State University, USA
- The University of Alabama, USA
- · Curtin University, Australia
- · University of Central Oklahoma, USA
- Oklahoma State University, USA
- Missouri University of Science and Technology, USA
- · Liverpool John Moores University,

Career Development Centre

REVA University has an all-inclusive placement training program that engages students with preplacement training early on. Commencing in the first semester, the program progresses along with mainstream studies. This facilitates learning for 'industry readiness' provided by career development centre. The Centre organises an exclusive soft skills, aptitude and technical training program for students, imparted by veterans in the field. This course helps students develop technical competencies and domain specific knowledge. The course involves developing interpersonal, communication, team building by leadership skills, logical reasoning for greater productivity and performance and above all 'employability'. The Soft Skills training sessions covers everything that will enable a student to stand out in a crowd of career builders. It is designed to help acquire skills that are core to success in domain of their aspiration, to gain personal insight and practical skills to develop and implement a mental framework for a good and professional approach to their career.

INTERNATIONAL PARTNERSHIP AND MOU'S

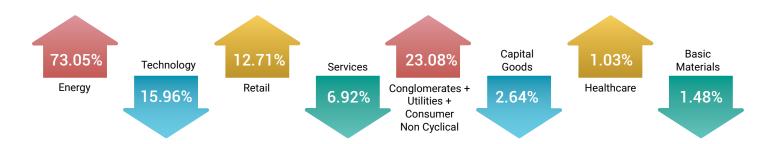

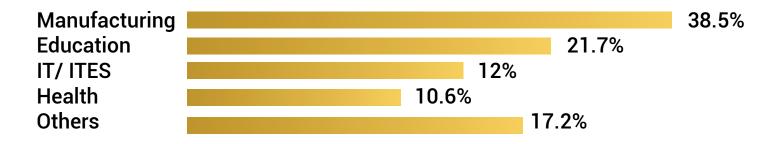

Sector Topography Of 2021-22

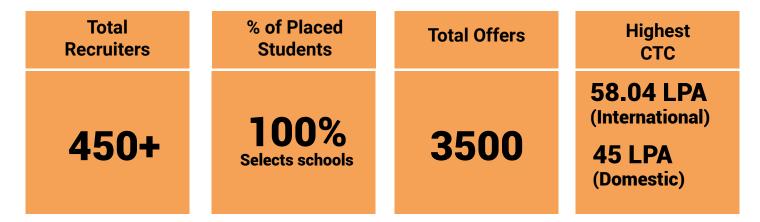

Year 2022 is a see-saw year for sectors across the globe. Some sectors see a surge whereas some sectors have flourished from gloom.

CAMPUS CULTURE AND INFRASTRUCTURE

- Digitization
- LEED Certified Eco-Friendly Campus
- Well Furnished Halls of Residence
- Uninterrupted Power Supply
- Gym
- Multiple Sports Arenasw
- Eco-friendly Environment
- Diversified Student Community
- Anti-Ragging Committee
- Social Outreach Programs
- 24 Hour Security (Digital/Personnel)

ACADEMIC EXCELLENCE AND INSPIRING EXPERIENCE

- Contemporary Curriculum
- Choice Based Credit System (CBCS)
- Continuous Assessment and Grading Pattern (CAGP)
- Education Scholarship for deserving students
- Highly Accomplished Faculty Members
- Levitating Research Culture
- Seed Money Grant for Research

RESEARCH AND INNOVATION AT REVA

Research in REVA University is a culture, and to promote this the University offers Ph.D. programs in various disciplines such as Engineering, Technology, Applied Sciences, Arts & Humanities, Commerce & Management, Performing Arts, Legal Studies and Architecture. The University provides seed funds to establish research centers and carry out research. All Schools engage in cutting edge research and have undertaken funded projects. Dedicated and qualified faculty members guide candidates to pursue research. Strict regulations complying with UGC are in place to ensure quality.

RU believes in sensitizing faculty members and students to keep societal issues at the heart and contribute towards tackling societal problems on priority. Any ideas for agriculture, environmental protection, energy saving, elderly caring solutions, health care solutions etc., will be supported. This has enabled students taking up these ideas developing inclination towards research later. All schools arrange international conferences, wherein experts across globe, especially from our partner universities, participate and deliver inspiring lectures on all aspects of Science, Technology and social sciences. Sharing of knowledge by in-house faculty mentors and presentations by scholars happen all the time in the university, providing an enriching ambiance for research. The university has supported deserved faculty members for their travel abroad for presentations. The University conducts its flagship event "REVA Research Conclave" attracting best minds across the world engaging in enriching exchange of research outcomes for the benefit of faculty members and scholars.

The university started the research program in 2014 and over a period of time gained recognition by DSIR and ranked in excellent band by ARRIIA -2021. It is a proud moment that many faculty members contributed significantly towards COVID related interventions during the pandemic. Many prototypes were developed keeping in mind the interventions demanded by the pandemic. The University conducts its flagship event "REVA Research Conclave" attracting best minds across the world engaging in cutting edge research to share knowledge.

The IPR (Intellectual Property Right) Cell, Incubation Centre, research circles mentored by senior members and supportive management make REVA a conducive place for research.

LIBRARY AND **INFORMATION CENTRE**

Browse through lakhs of books, e-books, research publications, educational journals and magazines

OPEN AIR THEATRE

Always bring a variety of Cultural programmes by different groups of students

STUDENT CLUBS

Literary Club, Science Clubs, Sports Club, Robotics Centre, Eco Club, Quiz Club, Dance and Drama Club

NCC. NSS & VOLUNTARY WORK

Regular social activities like medical camps, blood donation camps in rural areas held to work towards the overall benefit of the society

HOSTELS

3,500-bed capacity hostel that's well-ventilated, hygiene and serves fresh cooked meals

ONLINE LEARNING/ DIGITAL CLASSROOMS

Well-equipped classrooms with modern gadgets like projectors, tabs

GREEN CAMPUS WITH OPEN AIR AMPHITHEATRE

A lush green area that allows students to study, socialize and enjoy nature

GUEST HOUSE

Residential facility for the benefit of parents and visitors travelling from outstations

FOOD COURT

International food chains have stalls at the Food Court that serve Pan Asian, Asian, North Indian, South Indian, among many other cuisines

BRAND STORE

Variety of international brand merchandise, apparels, gift articles, and a wide range of stationery available on the campus

AUDITORIUM AND SEMINAR HALLS

Large auditorium with 1000-seater capacity, along with adequate number of seminar halls to facilitate co-curricular activities

TRANSPORTATION

Routes through all parts of Bengaluru city

SPORTS

Special focus on Sports. More than 9 teams represent REVA University at state, national and international tournaments

GAZEBOS

An open area for students of certain courses to learn, practice and excel amid open classrooms

FORMING A COMMUNITY

THE REVA WAY OF LIFE

Library and Information Centre

The Central Library is located in the heart of the campus and is housed in an independent building with a carpet area of 3,316 Sq.mtrs. The air conditioned library has 800 seating capacity. It possesses huge collection of books & journals, both in print and e-form. The library is kept open from 8:00 am to 12 Midnight and it provides a mix of learning environments to meet different student needs. The library has gone digital with various options to make access and reading convenient. Online access to a vast range of information, including 13000+ IEEE e-journals, conference proceedings, standards and case studies. Apart from this 16000+ e-journals, magazines and case studies through ASCE, ASME, EBSCO and Emerald are also subscribed. For non-engineering West Law India- Legal studies Database, K-Hub are also available to access. We give the access to 1, 73,000+ of e-books are available through Pearson, EBSCO, McGraw Hill and K-Hub to all our students. researchers and faculty members. Not just that through NPTEL (Local Guru) Media Streaming System all users can access all these electronic resources through remote access. The University has also incorporated RFID (Radio Frequency Identification Devices), for better security and safety in campus.

ICT Based Lecture Halls

University staff are continuously developing innovative ways of using technology to support teaching and learning through our virtual learning environment, including e-portfolios, podcasts, streaming media and online discussion groups and quizzes. In our physical classrooms and laboratories, a number of smart classrooms offer enhanced technology, such as interactive whiteboards and classroom response systems to improve the overall learning experience of students and staff.

REVA has well planned systematically furnished classrooms with digital facilities and learning. The classrooms are designed to facilitate the students with congenial atmosphere to study. The laboratories are well equipped with modern gadgets and necessary equipment's for practicing purpose. REVA also uses Learning Management System (LMS) to facilitate efficient learning.

Auditoriums and Seminar Halls

REVA believes that the students apart from their in-depth subject knowledge, need to upkeep themselves with a variety of skills coupled with team spirit and leadership qualities. Therefore, it promotes varied kinds of activities apart from class room lectures and lab practice. REVA has adequate number of auditoriums and seminar halls to facilitate such curricular and co-curricular activities.

Outdoor Learning

REVA University offers a unique learning environment which gives the students the best of the modern pedagogy coupled with the traditional pedagogy. The Gazebos at the campus are used generously by Schools to ensure there is open space learning apart from the teacher-learner compatibility in outdoor learning. The gazebos that have been set up with great thought and focus for students at the University campus blends outdoor learning, aligned with the gurukul system of learning of our ancient past apart from offering an experiential learning experience. This enables the learner to be ahead of others in this competitive world. The gazebos are extensively used for one to one learning, teacher interface in a positive learning environment by selective faculty for selective courses. Schools of Performing Arts, Humanities, Architecture to list a few are the major benefactors of the gazebo learning space. The perfect landscape and softscape lends the right ambience for learning outdoors for the students.

Gym

The on campus gymnasium is equipped with the most modern fitness equipment and state of the art ambience for health lovers at the campus. The gym has all the high tech support for all students for their regular workouts and enhances their fitness level.

Health care centre

The health care centre at REVA University is headed by a full time Resident Doctor and supported by paramedical staff who are in the campus. The centre takes care of medical needs of all students, faculty members and other staff. This facility is available 24x7 with a Resident Doctor to attend to medical emergencies. The University also has a tie up with nearby Hospitals. The Health Insurance Facility for the students is also in place.

Media Centre

To facilitate a rich learning experience that includes hands on simulated education, REVA has its own Media Centre with an inbuilt recording studio and live broadcasting podium.

Counselling Centre

REVA has a Counselling Centre with trained and experienced Counsellors to attend student grievances and support. The Counselling Centre was built to answer students' special learning counselling needs and provide them with an unbiased environment.

Studios

REVA has many studios and galleries to showcase students' interaction with study material and enhance their skills and interests.REVA Beats is an exclusive music room, to hone students' diverse talent in music, with a mix of contemporary and classical set up, and asound proof venue. The Architecture Studio-Gallery situated in the School of Architecture has students' works, exhibiting their contact with different elements and the resulting artwork. Apart from this there are Laboratories in each school, like science, technology and language.

Green Park

In the heart of the campus is the Green Park with variety of trees and bushes, and lush green lawn that attracts any nature lover. Amidst the beauty of nature, one can quietly refer books, meet friends, discuss in groups or simply relax. The Green Park keeps the campus cool and fills it with fresh and clean air.

Open Air Theater

Built at the Green Park, the open air theater holds a variety of cultural programs by different groups of students representing different states/countries making the evenings more colorful and fascinating.

University Brand Store

Another pride of REVA University campus is its Brand Store located opposite the playground and next to hostels. It contains a variety of REVA branded articles, apparels, University hoodies, gift articles, and a wide range of stationeries. It would be a privilege for all the students, staff, alumni and the visitors to possess and use these REVA branded items. There is also bound to be something in the store that will make a fitting gift for proud friends, parents and others.

Student Housing

REVA Student Housing is a home away from home. REVA has Housing for boys and girls on the campus providing accommodation facility. The Housing blocks are aesthetically built and are situated amidst lush greenery. The University also has a Guest house to facilitate parents and guests to stay when they come to visit their wards.

Food Court

The huge Food Court with comfortable sitting facility is located along with the brand store. The Food Court offers a variety of brands to cater to every one's needs from Café Coffee Day, mouthwatering chats, to North Indian, South Indian, Chinese Dishes, Ice Cream, Juices and beverages.vthe campus. The gym has all the high tech support for all students for their regular workouts and enhances their fitness level

Transportation

REVA operates a fleet of buses to and from all parts of Bengaluru city for the benefit of students, staff and faculty members. Public transport facility run by the Bengaluru Metropolitan Transport Corporation (BMTC) is also available near the Campus.

Annual Programmes

Every year, each School in the campus presents Kaladarshan, a series of cultural performances that are presented with a thematic thread that speaks of the School's ethos. This event is a platform for students to work closely with faculty members and display their latent talents. Another important annual tradition is REVAMP- a cultural fest organized every year that provides great opportunity for all students to exhibit their skills, talent and hobbies.

ERP

Enterprise Resource Planning (ERP) System is a customized software accessible to REVA students and parents, enabling student-centric services, teaching and learning in the classroom or online, automated admissions and feedback, faculty management and record organization system.

Student Clubs

The University has a variety of clubs to engage and transform students with diverse skill sets. The clubs include: Literary Club, Science Clubs, Sports Club, Robotics, Eco Club, Quiz Club, Dance and Drama Club and a host of other clubs. Students are encouraged to participate in co-curricular activities, such as literary, cultural and sports activities, intercollegiate, inter-University competitions. REVA has its in-house fortnightly magazine, REVA Insight, which has a detailed panorama of news, activities, special features and insights into the University's life and educational landscape.

AN ATTEMPT AT GIVING BACK

Building a Humane Planet

National Cadet Corps (NCC)

NCC provides a suitable environment to motivate the youth to take up a career in the armed forces, to develop character, comradeship, discipline and secular outlook, spirit of adventure, and ideals of selfless service amongst the youth of the country. To consolidate this ethos further, NCC at REVA undertakes many social and awareness centric activities and initiatives. REVA University NCC wing has been awarded for their distinguished Service. NCC functions under the Defence Ministry of India at the national level and under the Education Ministry in State.

National Service Scheme (NSS)

NSS is involved in concerns and activities related to youth and the volunteers organize and participate in awareness camps, blood donation camps and health related initiatives. REVA University NSS Unit endeavors to spread the word of safety and positivity.

Social Outreach

Students and faculty are actively involved in social work, such as organizing medical camps, blood donation camps, camps in rural areas where they take part in rural construction programmes like construction/repair of roads, water tanks and sanitation rooms, creating awareness among masses about health, hygiene, and other important social issues. REVA also associates closely with Rotary Club in carrying out various activities.

UBA

The Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India. The Mission of Unnat Bharat Abhiyan is to enable higher educational institutions to work with the people of rural India for identifying development challenges and evolving appropriate solutions for accelerating sustainable growth.

CLUBS AT REVA

Coursera

Coursera for Campus has been initiated and implemented by REVA University for the academic year 2020-2021. In its first phase and keeping COVID conditions in mind, more than 5000 free licenses were given to students and focus was on skill development courses and courses that would add value to the outgoing student profile. With Coursera in Campus, the objective is to enable our University to offer high quality, jobrelevant, online learning to students and faculty. REVA being one of the youngest Multi-Disciplinary Universities in India, the vision is to ensure learners are benefitted from these courses.

Tab Based Examination

REVA follows Digital Paperless Examinations. All students take up their final and internal assessments on specially designed tablets which consist of customised software and purpose-built hardware. This ecosystem eliminates paper entirely - No paper for Questions and No paper for answer scripts! It also includes a specially developed secure software system and services in the cloud, making it an end-to-end solution for students. faculty and administrators.

Centres of Excellence

The university is striving to mobilize funding from various funding agencies, industries and such others to excel and thrive in accomplishing quality research and make its mark in the research map of the country. Efforts are consistently on to explore funding from VGST, DST, CSIR, DBT, UGC, DRDO, ICSSR, UNESCO, UNIDO, IDBI etc. The faculty members also explore funded projects from ISRO, NAL, BEL, HAL, Microsoft and such other organizations, institutions and industries.

Admissions

Admission to any Undergraduate, Postgraduate, Post Graduate Diploma and Ph D program of REVA University is strictly based on merit. REVA University conducts REVA CET, a merit scholarship examination for various programs offered in the University.

However, for some of the programs such as B Tech, M Tech & MBA the candidates ranked in the CET, PGCET, COMED-K, GATE, CAI, MAT & other Entrance Examinations conducted by the Govt. of Karnataka or other recognized agencies are also considered. The eligibility criteria for each of the program are also available in the University website: www.reva.edu.in. Prospective students seeking admission for B. Arch Program should have NATA eligibility

How to apply

- Applications are available online at www.reva.edu.
- The Application Form and information brochure for all programs are also available at the admission office REVA university

Scholarships and Awards

Every year REVA University awards several scholarships, prizes and medals to encourage and support meritorious and talented students, deserving financially weaker students and achievers in academics and co-curricular activities as per the norms of the University. Students are aptly recognized with awards and scholarships for merit in qualifying board exams, social service bravery and sports. There are special scholarships for differently abled students.

VOICE OF PARENTS

Shrikant Hegade

My daughter got to know about REVA University through an email. My daughter wanted to study law and she got all the facilities and good faculties to guide her well. I am satisfied with the overall offerings of REVA University.

Rajnish Kamal

The University is good in terms of studies and overall ambience. The environment is blooming and vibrant. REVA has delivered what its people had promised. It is a very good University for education and overall development.

VOICE OF STUDENTS

Sumanth Hegade BA-JEP. First year

My admission in REVA University has been a good decision taken by me and my parents. REVA University provides all the facilities to the students. Faculty are well qualified and prepare a student to face the real industrial world.

Komal B.Tech in Computer Science Engineering Final year

I did my Engineering from REVA University. Faculties are well learned and equipped with latest technology. If we have any doubt or problem, we can straight go to the faculty and our problem will be solved. Thank you REVA.

ALUMNI SPEAK

Mr. Saroj Kumar

Mission Designer for advanced propulsion systems, UAH, NASA Space flight centre.

Mr. Saroj Kumar has been selected by Space and Satellite Professionals International (SSPI) for its prestigious "20 Under 35" 2022 list of 20 outstanding young space and satellite professionals under the age of 35 to watch in the years ahead.

"20 Under 35" honourees list includes employees or entrepreneurs globally who have demonstrated initiative, creativity and problem-solving skills that created new capabilities, overcame major challenges, and ensured excellence in technology and service.

Ms. Mirriam Divya Williams

Mission Designer For Advanced Propulsion Systems Held in Munich, Germany

Ms. Miriam Divya Williams who is working as IP Counsel, SIEMENS in Germany has been identified as one of the panelists to deliver a talk on Generating and Structuring Patent Portfolios at the 6th EIPF (European intellectual Property Forum), Munich, Germany on 12th Sept 2022.

The European Intellectual Property Forum (EIPF) is the largest leader-ship-level IP conference of its kind dedicated to bringing together a diverse set of audiences from all over the world including IP experts, owners, and investors to discuss and find solutions for key issues and operational challenges faced by corporations and IP professionals today.

ICT at REVA:

- Robust and resilient ICT infrastructure.
- One touch portal to access student journey.
- Smart classroom with digital interactive boards, digital content, SharePoint libraries etc.
- Contactless library access to thousands of books and media.
- CCTV enabled campus for physical security
- WiFi-enabled campus and classrooms
- 1st University recognized by IDC for digital resiliency
- Dedicated parent portal
- Dedicated support portal for students.
- Dedicated Mentor/Mentee Portal for students and parents.
- Academics-related Alerts/Notifications/Reminder for students and parents.
- Dedicated Alumni Portal.

SPORTS AT REVA

The Department of Physical Education and Sports at REVA University is developed based on the policies and guidelines recommended by the Association of Indian Universities (A.I.U) and other sports agencies. The guidelines help in organising sports activities smoothly and effective functioning of the department. The University offers well-planned outdoor and indoor sports facilities including multigym, cricket stadium, and football ground, among others.

State-of-the-art Sports Facilities

The University has state-of-the-art facilities for both indoor and outdoor sports activities. The indoor sports facilities include: Table Tennis Boards, Badminton Courts, Carrom Boards, Chess Boards with Clock, Multi Gym. The Outdoor Sports facilities are: Football Ground, Ball Badminton Court, Cricket Nets, Tennis Court, 400M Athletic Track, Volleyball Court, Basketball Court, Kabaddi Court, Cricket Ground, Hockey Ground, Handball Court, and Throw ball Court.

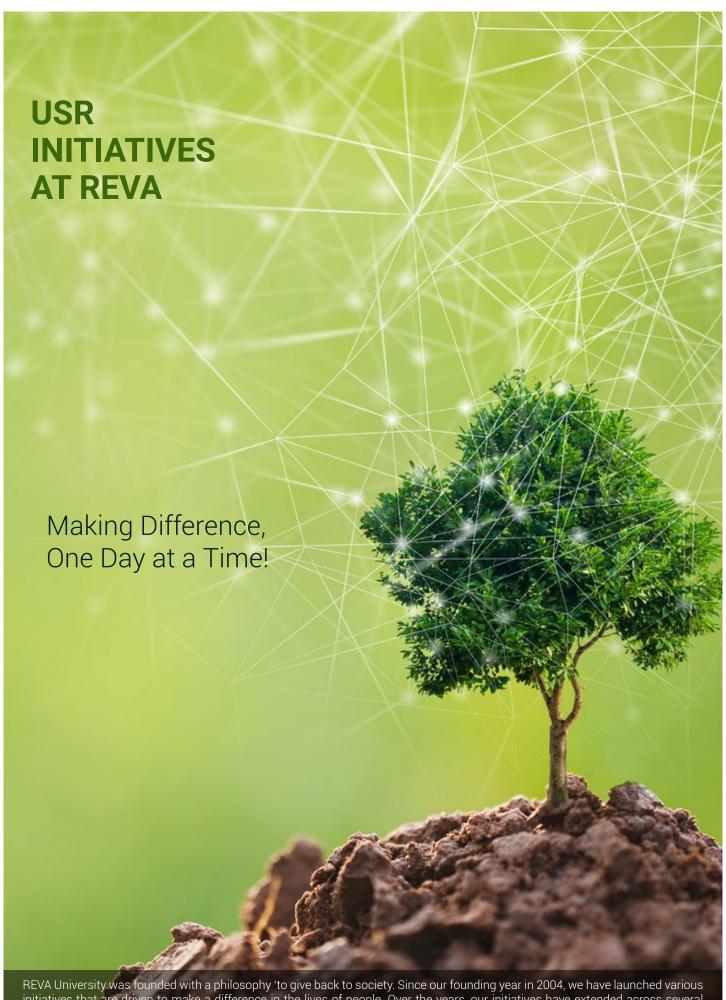

Events

REVA University hosts several events and tournaments including International day of Yoga Celebration, Inter-school Faculty Sports and Games Competitions, Annual Sports Meet. REVA students actively participate in Inter University/Inter Collegiate Tournaments, Inter Corporate Cricket Tournament, Inter Collegiate / Inter University Tournament conducted by various universities across India.

Scholarships for Achievers

REVA University offers scholarships and sports quota admissions to students who have represented the state, national and international tournaments.

REVA University was founded with a philosophy 'to give back to society. Since our founding year in 2004, we have launched various initiatives that are driven to make a difference in the lives of people. Over the years, our initiatives have extended across several horizons, and environmental conservation, sustainable changes, and adopting solutions that will have a larger impact on society. It is this philosophy that has been guiding our actions.

'ABHIVRIDDHI'

REVA University has partnered with the Government of Karnataka to develop, and impart quality education at lower and higher primary government schools, through its CSR initiative 'Abhivriddhi'.

As part of this initiative, REVA has adopted 10 government schools located around Bengaluru North (Yelahanka and Devanahalli constituencies) in the fringes of the city.

The pilot of 'Abhivriddhi' was launched in August 2020 and the core committee members of Abhivriddhi have conducted several in-depth surveys over the last five months to ascertain the requirements, challenges, and other details of the adopted schools.

'Abhivriddhi' is launched with a mission to aid quality education at government schools and aims to overhaul the learning experience at these schools. Currently, around 1000 students are learning in these schools, but due to the closure of schools as a Covid-19 protocol, have remained home during the pandemic.

Our Vision

To transform this chain of government schools as 'Model Schools'

Our Mission

- Improve the overall quality of education at these schools by providing requisite upgrades to the infrastructure of the schools
- Impart quality training for students and teachers, and ensure certain services are available for the benefit of students from time-to-time
- Provide training sessions to teachers in both personality development and pedagogy
- Introduce co-curricular activities along with academic inputs in an endeavour to improve the quality of academics, attendance of students, parental satisfaction, and ensure tangible improvement in the academic scores of the students
- Extend IT support by providing computers, projectors, and laptops
- To improve the overall enrollment ratio year-on-year.
- To increase student retention
- To provide holistic education by imparting technologybased education, ethical and moral values
- To work in line with NEP 2020 Education Policy

Way Forward

REVA University has categorized its developmental activities into three categories — Akshara, Ashraya, and Adarsha - 3A MANTRA— aimed to upgrade the quality of education, civil infrastructure, and the overall education quality and disciple of a student. The CSR initiative will be taken up under different phases, spanned over the next few years.

EDUCATION ON WHEELS

Education on Wheels (EOW) is an integrated approach to improving the quality of education for underprivileged children. It seeks to ensure pre-primary and primary education for all children up to the age of 14 leading to their overall development.

Education on Wheels, a student outreach initiative was launched to provide immersive learning experiences to students of community schools in rural areas.

The University takes modern education to the doorsteps of the students through a mobile lab with a 15-seater facility, equipped with learning infrastructure like a projector, computers, wi-fi connection, and SMART TV, among other facilities.

The lab also introduces students to basic and advanced learning in emerging domains like block coding, designing, and other areas. It envisions providing comprehensive skills to students through the lab and fostering the holistic development of students.

REVA University believes quality education is the right of every child, and to empower them with modern education, 'Education on Wheels' has been launched. Through this initiative, students will gain free access to digital learning

KEY FEATURES OF EDUCATION ON WHEELS

- A university bus (Model- Ashok Leyland 4900MM Wheel) has been converted into a lab centre.
- The lab is a 15-seater facility equipped with modern facilities like wi-fi connection, computer monitors, and projectors, among other modern educational needs
- 'Education on Wheels' will provide modern education to rural school students
- As many as 1,000 students of government schools will benefit from this initiative
- The lab will also have modern facilities like 52 inch SMART TV for video conferencing
- Fifteen computer monitors, chairs, keyboards, mouse, tables, and desks have been set up in the lab
- The bus will have CCTV cameras for surveillance
- The lab will not be used for any commercial purposes
- 'Education on Wheels' facility will be available for students of government schools on weekdays between 9 AM and 6 PM
- There will be NO FEE to use the lab

REVA VANAMAHOTSAVA

In August 2021, REVA University launched 'REVA Vanamahotsava', a novel initiative as part of the corporate social responsibility initiative to plant 15,000 saplings in the state. REVA launched this initiative aligning with the United Nations Sustainable Development Goal 13, which focuses on Climate Action. Under this Initiative, the institution launched the 'One Student, One Tree' campaign, which aims to build a clean and green environment with the active involvement of students. The initiative, with support from students and faculty, is REVA's commitment to environmental conservation and the reduction of global warming. Additionally, the AICTE recommends that every institute conduct should plantation drive. Its goal is to have each REVA University student plant a sapling. For at least the first two years following planting, students should take care of these plants. As part of the mission students residing at REVA Hostels and faculty members of REVA, were roped in to plant saplings. The plantation drive was carried out in association with the BBMP, and saplings were planted in pockets of forest areas, where there is a lack of greenery. Through this initiative, REVA University aims to instill a sense of responsibility in students about caring for the climate and towards Mother Nature.

The REVA Vanamahotsava, which was started with a goal of planting 15,000 saplings in 2021–2022 and one seedling for every new student admitted to REVA University starting in AY 2022–2023, has advanced the social effort by planting more than 15000+ saplings to date. Through this initiative, REVA University has become a part of the larger goal of increasing the resilience of ecosystems, minimising climate change effects and buying people and government time to adapt to changing conditions. It also contributes to counteract soil and biodiversity loss and improving human well-being thereby improving society.

JAGRUTI

Voting

The volume of voting in Lok Sabha and State Assembly elections created a disquiet and was of concern in the last elections in Karnataka. The election of an efficient and loyal public representative for the administration mechanism is possible only when a large number of voters of this nation participate in the electoral process. REVA took a step forward from the line of booming Universities of the country to be one of the first to have taken the responsibility to make the country aware of its voting rights spearheaded by the leadership of its Chancellor Dr. P Shyama Raju. Under the aegis of REVA Electoral Literacy Association (RELA), the faculty and students conscientiously evoked in citizens the awareness, knowledge of, and need for ideally functioning democratic processes. RELA constituted Jagruti to counter this legacy of a non-participatory mindset in people. The essence and vision of RELA are aligned with the empowerment of the citizens for better participation in the electoral democracy by voluntarily registering and ethically voting in every election. 'Jagruti'- REVA's torch-bearing campaign blazed a trail in this regard. The campaign, an initiative of REVA Electoral Literacy Association (RELA) was inaugurated on 16th November 2018.

Objectives of Jagruti:

Creating awareness of the electoral process of the country.

Aiding voters' contribution through activities organized by students.

Providing platforms for people to interact and expand on their knowledge of democratic processes. Encouragement of people's interaction with the political system.

Promoting accountability towards civic responsibility.

Helping citizens make informed choices.

Introducing and enlightening citizens on Digital electoral procedures.

A hands-on engagement with citizens of the constituency to take the cause forward by setting an example.

This initiative of the University was taken by our students and faculty to spread awareness of the electoral processes of our country. Jagruti was the flagship campaign of REVA Electoral Literacy Association (RELA), a movement planned and executed successfully by the joint effort of students, and faculty of the University, supported by BBMP officials, and encouraged by the State Election Commission. The 12-day event had students undertaking a survey to get a systematic deduction of the voting mindset of citizens. Encouraged by this massive response, Phase 2 of Jagruti forward, focused on creating voting awareness and reinstating civic belief in electoral practices through a planned array of activities.

Phase 1

In the first phase of Jagruti, the 'Deeksha Vidhana Event' was conducted wherein more than 800 students of REVA University and its allied educational institutions participated in this event as volunteers to spread the message of voting, beginning with conducting an awareness electoral-centric survey in Byatarayanapura Constituency of Bengaluru. Two-round workshops were conducted for students and faculty who were involved in this campaign. In these workshops, electoral officers participated to guide the group to a better understanding of the mission and its importance. BBMP officials were a crucial part of this door-to-door campaign.

Phase 2

The campaign entered its second phase, a performative and participatory engagement with residents, where street plays, songs, cultural performances became the medium of imparting and spreading electoral awareness, for another segment of this journey. Phase 2 of Jagruti focused on creating voting awareness and reinstating civic belief in electoral practices through a planned array of activities:

Phase 3

Jagruti Phase 3 was a digital platform where voting as a right was being endorsed hoping to capture modern social media aficionados. Phase 3 transformed the campaign with WhatsApp, Twitter, Website, Facebook, Vlogs, and blogs as the forums for communication. The Jagruti Digital Campaign fashioned an incredible response from the forums, the fulcrum of this mission being a fused strong voice of the youth. Through the combined platform of Google, Facebook, Twitter, LinkedIn, Instagram, YouTube, and Slide share, the campaign was able to reach more than 30 lakh views and responses.

SDG @ REVA

REVA is one of the few Multidisciplinary Universities in the country which has adopted the SDG goals as part of the journey towards emerging as a Social Impact University. REVA University has in alignment with the NEP 2020 built in the road map of the University focusing on four SDGs of prime focus: SDG IV, SDG V, SDG XI and SDG XVII. In keeping with this aspiration of the Prime Minister, as a pioneer in Higher Education and with the potential and capability to bring about change NEP 2020 talks in detail about how art institutions must take the lead to bring innovative changes in the curriculum, by incorporating its suggestions and making a creative change in the education policy. The primary objective of the SDGs at REVA University is to disseminate through dance and art forms, and by actions on field, the alignment with the SDGs globally where all the stakeholders will be involved in the task of ensuring these goals are met with. The geographical coverage encompasses the entire country and with the aspiration of reaching efforts beyond the country.

Accordingly, the University has aligned with the United Nations Sustainable Development Goals by developing projects like Panchavaktram, Abhivyakti, Nyaya Darshana, Samaayesha, Pragna among others.

PANCAVAKTRAM

Pañcavaktram (Pancavaktram) is a production by the School of Performing Arts & Indic Studies that highlights the five faces of Śiva – Sadāśiva and elaborates on them through significant stories from Indian mythology. The five faces are Sadyojāta, Vāmadeva, Aghora, Tatpurua, and Eśana and they are embodied through the five elements of nature or the Pañcabhūta - Bhūmi, Jala, Agni, Vāyu, and Akāśa, and present the world with the idea of creation with grace, dissolution with preservation, the experience of the unseen and the embrace of the infinite sky. The production showcases how the five elements superimpose each other with ease in their existence and movement creating harmony and balance in nature.

This production is of tremendous significance in the contemporary context. Our ancient treatises and texts chronicle a progressive and "woke" India that is gender-sensitive. The fact that the Lord Siva as Ardhanārīśvara encompasses the male and the female as two halves of the ultimate whole, the total of which is an all-embracing concept of gender and sexuality that existed long before these genders were separated brutally. The piece showcases the confluence of the five elements of Nature that are an integral part of the Indian spiritual identity. Our Vedic gods themselves were incarnations of different aspects of nature.

As a part of the first phase of our campaign, Panchavaktram was held in Hyderabad, Bengaluru, New Delhi, Chennai and Guwahati in front of a packed crowd. It will be followed by performances in Trivandrum and Bhubaneswar in February 2023. This is followed by the next phase of performances to be held in the cities of Bhubaneshwar, Gujarat, and Varanasi and also in countries like Cambodia and the Middle East. The venue will house more than 2000 audience. There will be Chief Ministers, eminent gurus, and celebrities as guests for the programmes. The local art and artistes will be felicitated in each City. There will be special seating arrangements for the press and media. The School of Performing Arts and Indic Studies will have a special stall that features various courses and other facilities available in the school.

Pañcavaktram

SAMAAVESHA

SAMAAVESHA is aligned with SDG#5 (Gender Equality) and SDG#10 (Reduced Inequalities). As a pioneer in Higher Education and with the potential and capability to bring about change, REVA University has taken it upon itself to disseminate through such inclusivity programs, the message of the need for promoting equal rights, responsibilities, and opportunities to people of all gender – women, men, and the gueer.

The School of Arts, Humanities and Social Sciences hosted 'SAMAAVESHA', a program on inclusivity and diversity, focused on gender equality. The program hosted Karnataka Rajyotsava awardee Dr. Akkai Padmashali, well-known transgender activist, who delivered a talk on 'HER STORY'. The program also witnessed a solo theatre performance by Smt. Nayana J. Sooda on the life of Dr. Akkai Padmashali, written and directed by Shri. Belur Raghunandan. The program was conceptualized with the objective of promoting human rights, inclusivity, and diversity as a way of our life. It also aims at facilitating education on queer life, queer rights, and legal scenario related to the LGBTQ+ people in India.

ABHIVYAKTI

Under NEP, arts in education is a must and also promotes Indian languages, arts, and culture. REVA University is an interdisciplinary university that offers courses in Performing Arts. To empower teachers and overcome the challenges post-pandemic, the School of Performing Arts and Indic Studies has curated a unique certification course named ABHIVYAKTI for K 12 teachers. The objective of ABHIVYAKTI is to enhance the non-verbal communication of teachers in the post-pandemic era through facial expressions, gestures, and Natya techniques of Indian knowledge systems. The program includes arts, storytelling, the power of expression, dance and expressions, artificial intelligence in understanding the emotions of today's students, and the importance of verbal communication in teaching-learning in the post-pandemic era. The certificate program will be delivered by an expert faculty team of the REVA School of Performing Arts along with an online session by an expert from an International University. The program will be organised for all CBSE/ICSE/State Board government and private schools as part of the Outreach program and Teacher Empowerment Strategy of REVA University, partnered with judges, political leaders, and advocates through the Legal aid centre and as part of the Probono activities

organised a series of lectures.

The School has established Pro Bono Club under the Nyaya Bandhu (Pro Bono Legal Services) scheme of the Central Government. The main objective of the club is to reach the grassroots to increase access to justice to the underprivileged section of society. In fact, the Ministry of Law and Justice, Department of Justice appreciated the efforts put in by the School of Legal Studies and also gave it widespread publicity through their Facebook and LinkedIn handles.

As the next step towards reaching out to the youth of all Law Schools in the city and also outside the city of Bengaluru, the Member of Parliament, Mr Tejasvi Surya participated in a youth movement wherein he addressed the students about the importance of SDGs and its impact on society.

NYAYA DARSHANA

REVA University is hosting "Nyaya Darshana", a social awareness campaign, especially among women, who are comparatively fewer in number in the domain of law. "Nyaya Darshana" as the name suggests is a series of events that contributes to the social development and betterment of society in alignment with the United Nations Sustainable Development Goals IV, V, and XI. The term 'Nyaya' refers to justice and 'Darshana' means vision. Accordingly, "Nyaya Darshana" is an initiative of the School of Legal Studies with the following objectives:

- To imbibe moral and ethical values amongst the young aspirants of law along with the study of law
- To ensure a sense of social responsibility in the students and enable them to participate in national and global responsibilities
- Align with SDGs IV (Quality Education), V (Gender Equality) and XVII (Partnerships for the Goals) in accordance with the NEP 2020 for Higher Education

The School has established Pro Bono Club under the Nyaya Bandhu (Pro Bono Legal Services) scheme of the Central Government. The main objective of the club is to reach the grassroots to increase access to justice to the underprivileged section of society. In fact, the Ministry of Law and Justice, Department of Justice appreciated the efforts put in by the School of Legal Studies and also gave it widespread publicity through their Facebook and LinkedIn handles.

As the next step towards reaching out to the youth of all Law Schools in the city and also outside the city of Bengaluru, the Member of Parliament, Mr Tejasvi Surya participated in a youth movement wherein he addressed the students about the importance of SDGs and its impact on society.

PRAGNA

As socially responsible citizens and an institution committed to civic responsibility, we at REVA University, have started a movement 'Pragna' to raise awareness on road safety and road discipline. The neighbourhood is home to a number of schools and colleges apart from our University and hospitals. It is a common occurrence during rush hours for students to struggle to cross the street and arrive at school/ college on time. Women in particular are having trouble making it to their destination in a timely manner when they are walking on the footpath. Additionally, there are a number of hospitals in the area, making it challenging for emergency patients to get there on time owing to road indiscipline. As the stakeholders of REVA University, it is our responsibility to ensure that the safety on roads is kept up to par. It is at this juncture REVA has initiated 'Pragna' campaign in association with the traffic police, NSS, NCC, and the neighbouring educational institutions.

As part of the campaign, REVA will create civic awareness at strategic points through the use of placards with safety messages, personal connect with larger institutions, appeal for cooperation, and ensure due publicity is given to generate awareness.

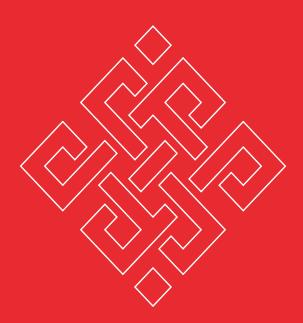

ABOUT REVA ALUMNI

REVA University has a strong alumni network which consists of more than 35000 alumni which is a part of our global alumni community. REVA University encourages the alumni to stay connected through various activities, technical talks, opportunity to establish their ventures etc and provides overall support and benefits for life. That may be through providing alumni with career support, helping them to reconnect with old friends, access to a wide network of fellow alumni and a range of exciting events.
