SDG-10

10 REDUCED INEQUALITIES

Reduce inequality within and among
countries

Chancellor's Message

In today's world, too much of the wealth in the world is held by a small group of people. REVA University believes that such a divide will lead to financial and social discrimination. It is important that equality and prosperity must be available to everyone so that the nations and ultimately the society will flourish. This should be achieved regardless of gender, race, religious beliefs or economic status. We strongly believe that alignment with the SDGs can only address the drastic effects of discrimination existing in society and the communities at large through various youth-related activities. REVA understands that equality should be maintained for everyone and ensures to fight for it by conducting several training programmes, talks, lectures and social outreach programmes. As a Social Impact University, we have realised that when every individual is self-sufficient, the entire world prospers. Hence, by organising such events, REVA ensures that the SDG theme of Reduced Inequalities is focused on and ensures that plans are made to remove the indiscrimination prevalent in the society in alignment with SDG.

Dr. P. Shyama Raju

Chancellor, REVA University

Pro Chancellor's Message

It is a proud moment for students and staff at REVA University as we have made a commitment to keep pace with implementing the United Nations Sustainable Development Goals. As a Social Impact University, we have introduced a number of key projects and policies in order to accomplish these SDGs. And I cannot be but thrilled to note that the dossier we have created for each of these SDGs is a testimony to our hard work and determination on how we have evolved as a Higher Educational Institution.

At REVA, we have carefully and thoughtfully planned activities related to each SDG. Be it gender equity programmes or charity events or heritage workshops or activities related to law and justice, or even Industry partnership and innovation programmes, we have encouraged close ties between communities around us, which in turn have a transformative impact on societal advancement.

Let's keep the momentum going and use this opportunity of aligning with SDGs as a potent tool to empower people, thereby liberating their minds and ultimately liberating society.

I wish the team all the best!

Best wishes,

Umesh S Raju
Pro Chancellor,
REVA University

Vice Chancellor's Message

REVA is one of the few Multidisciplinary Universities in the country which has adopted the SDG goals as part of the journey towards emerging as a Social Impact University. In my opinion, the journey has been a fulfilling one. As part of SDGs, we are committed to global challenges related to eradicating extreme poverty, putting an end to hunger and promoting inclusive and sustainable economic growth, full and productive employment, and decent work. The journey doesn't end there. We are also working to promote peaceful, inclusive societies, access to justice, and the creation of effective, accountable, and inclusive institutions.

By thoughtfully planning the activities, we have curated this dossier that is an example of our hard work and determination. I congratulate the team for all their efforts in ensuring that REVA contributes to the larger goal of betterment and a humane vision of higher education. We believe that by doing so we create a society that is committed to sustainable development and ultimately the improvement of the community and society.

I extend my best wishes to the team.

Best regards,

Dr M Dhanamjaya

Vice Chancellor,
REVA University

OLD AGE HOME VISIT – SAMPRAPTHI FOUNDATIONS

School: School of CSA

Venue: Bangalore

Date: 9th August 2021

The School of CSA organised a visit to Samprapthi Foundation to support and disperse medication. Before distributing the medications, the team established an understanding of the scenario and their problems. From 3.30 to 4.15 pm, they communicated with the residents of the Old Age Home. It was a great experience for all the school members to interact with the members. The students and faculty members had an insightful experience and returned with not only memories but also some valuable essence that will hold tight throughout life.

Here are some of the memorable moments captured:

REPORT ON SOCIAL OUTREACH

Organized by: School of Mechanical Engineering

Venue: Manasa Ashraya Old Age home (Bodaganahalli village, Chickaballapura)

Date: 8th February 2020

Description:

The School of Mechanical Engineering organised a social outreach programme to the old age home Manasa Ashraya at Bodaganahalli village, Chickaballapura.

An old age home is a nursing home intended for the elderly and helps seniors in the activities of daily living. Generally, it is seen that seniors are socially isolated at home and such old age homes are a temporary relief to them. Manasa Ashraya is one such old age home, which is running for the poor. It is equipped with all the basic facilities. It was founded by Dr Madhukar with a sense of concern towards society.

The MARS committee students raised funds among the students and staff members of the School of Mechanical Engineering and by the amount collected, the groceries required for the Ashram were purchased and donated. The groceries included 150 kg of rice, 25 litres of cooking oil, 15 kg of Toor dal and other necessary items for the Ashram.

The following were the outcomes achieved with this outreach programme:

1. The old age home was provided with groceries that would sustain the food requirement for a duration of one month.
2. The senior citizens were engaged in different activities by our cultural team that included sharing experiences, singing, dancing etc.
3. Students learnt the art to plan, raise funds and arrange the resources required for this outreach event.
4. The students benefitted from the guidance received by senior citizens.
5. Students interacted with senior persons in old age homes and were able to identify the shortcomings in our society. It developed a sense of concern towards society in general and elders in particular.

VISIT TO ORPHANAGE HOME - JMJ SNEHA SADAN

School: School of CSA

Venue: Bangalore

Date: 16th September 2021

A visit to Orphanage Home “**JMJ SNEHA SADAN**” was organised by the School of CSA. The team met the children, and they welcomed them with love and affection. The team spent quality time with them and they shared their happiness. As a token of love, the team distributed clothes, books, stationery, and rice. There were around 16 children with 4 caretakers and a woman in charge.

Here are some of the memorable moments captured:

REPORT ON SOCIAL OUTREACH

Organised by: School of Mechanical Engineering

Venue: Sumangali Sevashrama, Hebbal, Bengaluru

Date: 14th November 2019

Description:

The School of Mechanical Engineering donated a "Leaf Shredding Machine" to Sumangali Sevashrama situated in Hebbal, Bengaluru as a part of a social outreach programme. Our social outreach team received the requirement from Sumangali Sevashram for a leaf shredding machine that can help them in converting leaves falling on their premises to manure.

This task was assigned to a group of students as their final-year project. Under the guidance of the faculty and the students, they completed this task and finally, the machine was donated to Ashram. In the meanwhile this project received a grant amount of Rs 10,000/- from KSCST identifying its usefulness to farmers. This project participated in many exhibitions and received a lot of appreciation from all quarters.

The following are the outcomes achieved with this outreach:

1. It helped the students to understand the need of others in particular and of society in general.
2. Students practically applied their domain knowledge of Mechanical Engineering to design and fabricate the machine needed for Ashram.
3. Students got good exposure in all dimensions while completing this project.
4. It will help more than 250 children in keeping their premises clean and environmentally friendly.
5. It brought good recognition to the students involved in the project.
6. It brought immense happiness to everyone involved in the project as it involved helping and giving something to society.

HEALTH CAMP

Department/School: Biochemistry/Applied Sciences

Venue: Govt. Primary School, Huttanahalli, Bengaluru

Date: 17th March 2021

Professional counsellors from REVA University organised a few sessions for students of Government primary school, Huttanahalli, Bengaluru. Dr Arun, Dr Lavanya, and Prof. Deepa HN from REVA University's Department of Biochemistry served as resource persons. Around 35 students in total participated in the one-day counselling program. The session's goal was to emphasise the value of nutritious and clean hygienic food. 35 students took part in the programme.

To ease the students and encourage active participation, the session began with breakfast. It was followed by a talk about COVID-19 awareness and providing health maintenance advice. The student's height, weight, and other information were checked and documented by B. Sc. Medical Laboratory Technology students. All students underwent general physical and dental examinations by Dr Arun and Dr Lavanya, with the results provided.

The students enjoyed the sessions. The session helped students shed all their problems and started having better interpersonal relations and better interaction with all staff members.
