SDG-1

1 NO POVERTY

To reduce the number of people living in poverty worldwide; REVA is committed to providing access to higher education as well as developing facilities and institutions that promote prosperity for all

Pro Chancellor's Message

It is a proud moment for students and staff at REVA University as we have made a commitment to keep pace with implementing the United Nations Sustainable Development Goals. As a Social Impact University, we have introduced a number of key projects and policies in order to accomplish these SDGs. And I cannot be but thrilled to note that the dossier we have created for each of these SDGs is a testimony to our hard work and determination on how we have evolved as a Higher Educational Institution.

At REVA, we have carefully and thoughtfully planned activities related to each SDG. Be it gender equity programmes or charity events or heritage workshops or activities related to law and justice, or even Industry partnership and innovation programmes, we have encouraged close ties between communities around us, which in turn have a transformative impact on societal advancement.

Let's keep the momentum going and use this opportunity of aligning with SDGs as a potent tool to empower people, thereby liberating their minds and ultimately liberating society.

I wish the team all the best!

Best wishes,

Umesh S Raju
Pro Chancellor,
REVA University

Chancellor's Message

At REVA, we believe in education for all and accordingly affordability is of prime importance to us. As a socially responsible university, we ensure that we do our best to ensure that our students are sensitive to the needs of the community and also do our best to reduce poverty in whatever small ways possible. Accordingly, the NSS and NCC along with various student clubs and activities, do their best to give back to society whatever they can. Our aim is to support the society in every way possible be it by ensuring the ventilator support was given during COVID to the nearby villagers, free masks were given, hospitalization and ambulance support was shared and food was served to all in the nearby areas identified.

Our social outreach programmes have also ensured that we reach out to the nearby villages and ensure support is extended to the youth to start work and ensure that the SDG theme of No Poverty is focused on and action plans are made to work accordingly in alignment with SDG.

Dr. P. Shyama Raju
Chancellor, REVA University

REVA is one of the few Multidisciplinary Universities in the country which has adopted the SDG goals as part of the journey towards emerging as a Social Impact University. In my opinion, the journey has been a fulfilling one. As part of SDGs, we are committed to global challenges related to eradicating extreme poverty, putting an end to hunger and promoting inclusive and sustainable economic growth, full and productive employment, and decent work. The journey doesn't end there. We are also working to promote peaceful, inclusive societies, access to justice, and the creation of effective, accountable, and inclusive institutions.

By thoughtfully planning the activities, we have curated this dossier that is an example of our hard work and determination. I congratulate the team for all their efforts in ensuring that REVA contributes to the larger goal of betterment and a humane vision of higher education. We believe that by doing so we create a society that is committed to sustainable development and ultimately the improvement of the community and society.

I extend my best wishes to the team.

Best regards,

Dr M Dhanamjaya
Vice Chancellor,
REVA University

SDG - 1
No Poverty

SCHOLARSHIP

REVA University is fully committed to its Institutional Social Responsibility and its policy of Inclusivity. The University core team believes in ensuring the education standards and qualification of students. In accordance with this, the University has in its offerings various scholarships and benefits to well deserving students and achievers.

ABHIVYAKTI

Under NEP, arts in education is a must and also promotes Indian languages, arts, and culture. REVA University is an interdisciplinary university that offers courses in Performing Arts. To empower teachers and overcome the challenges post-pandemic, the School of Performing Arts and Indic Studies has curated a unique certification course named ABHIVYAKTI for K 12 teachers.

The objective of ABHIVYAKTI is to enhance the non-verbal communication of teachers in the post-pandemic era through facial expressions, gestures, and Natya techniques of Indian knowledge systems. The program includes arts, storytelling, the power of expression, dance and expressions, artificial intelligence in understanding the emotions of today's students, and the importance of verbal communication in teaching-learning in the post-pandemic era. The certificate program will be delivered by an expert faculty team of the REVA School of Performing Arts along with an online session by an expert from an International University. The program will be organised for all CBSE/ICSE/State Board government and private schools as part of the Outreach program and Teacher Empowerment Strategy of REVA University.

School Of Performing Arts and Indic Studies Pariposhanam Project Extension Activity Event for Government School Teachers

The School of Performing Arts and Indic Studies, REVA University in association with District administration and Public Instruction Department and Indian Red cross society, Bangalore organised ABHIVYAKTI for 2 days on 16th March 2023 and 17th March 2023. The resource people for the programme were Dr Vidya Kumari S, Director of School of Performing Arts and Indic studies and Professor Anand Raj Gonwar from the School of Performing Arts and Indic Studies, REVA University.

In the workshop the resource persons dealt with the topics related to BHAVA (effective communication through facial expression), ANGIKA (effective communication through body language), KATHA (story telling techniques), VARNANA(narrative elements), DHVANI (voice culture) This workshop was conducted for the Government high school teachers at Kandaya Bhavana , Sarkari Kandaya Ilake, employees union, Revenue Department, Bangalore

After the workshop, the participants interacted with the resource persons and cleared their doubts.

Support to Flood affected areas in North Karnataka

Description of Event:

With more than 12 Districts including Belagavi, Uttar Kannada, Kodagu, and so on in Karnataka more than 12 Districts including Belagavi, Uttar Kannada, Kodagu, and so on in Karnataka. The residents of these areas were put through hardships and the disaster resulted in the loss of property on a large scale. An appeal was made to render a helping hand to the needy, donate voluntarily on humanitarians' grounds for the cause of undertaking rehabilitation activities and join hands with the government in this dire need.

In this regard, REVA University has taken initiative for this social cause "Disaster Relief -REVA University" and as part of this, the REVA University Team visited the most affected places of Gokak, Ramdurga of Belagavi District. The team tried its best to assist them in all aspects by giving medicines, biscuits, and other needy things to the families.

Awareness Program on Corona Virus (COVID-19)

The NSS unit, REVA University organised an awareness program on **"Corona Virus (COVID-19)"** for the students and staff on Saturday, 18th July, 2020 from 6.00 pm to 7.00 pm through MS Teams. Around 150 staff and students participated in this event.

Coronavirus disease 2019 (COVID-19) is an infectious disease caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). It was first identified in December 2019 in Wuhan, Hubei, China, and has resulted in an ongoing pandemic. The first confirmed case has been traced back to 17 November 2019 in Hubei. As of 4 August 2020, more than 18.4 million cases have been reported across 188 countries and territories, resulting in more than 697,000 deaths. More than 11 million people have recovered.

Awareness program plays an important role to avoid spreading COVID-19, in this regard, The NSS unit, REVA University organised awareness program on "Corona Virus (COVID-19)"

Community Outreach Program at Bangalore rural area, Devanahalli Taluk

Place of Activity conducted: Channarayapatana, Naganayakanalli, Janatha colony Channahalli , Jalige , Rajagatta , Beer Sandra and Tinglu village.

The School of Architecture, REVA University in collaboration with Campus 2 Community organised a community outreach program from 20th to 23rd September 2019 at Channarayapatana , Naganayakanalli , Janatha colony ,Channahalli , Jalige , Rajagatta , Beer Sandra and Tinglu village. In collaboration with Art Matters and students from various colleges, Campus 2 Community organised "SCHOOL BELL," a mass service project that remodelled 150 government schools in remote rural villages bordering Bengaluru to commemorate Mahatma Gandhi's 150th birthday. A total of 42 third-semester B.Arch students took part in this programme of community service.

The activities included artwork on the walls, providing awareness about the environment, health, cleanliness and management, library, and lab equipment, drinking water facility, sports kit, first aid kits etc. Around 5000 youth volunteers were part of this activity and around 7500 students where benefitted. With mass campaigns as volunteers, we made this event a grand success by completing the painting on the school wall which was assigned to us. The student serves as a great resource by getting involved in different kinds of activities.

Village activities to create awareness related to health and hygiene in Bandikodegahalli Gram Panchayat

The NSS unit - REVA University organised village activities to **create awareness related to health and hygiene in Bandikodegahalli Gram Panchayat-Villages"** on Wednesday, 29th January, 2020 between 9.30 A M to 12 9M. Around 25 students participated in this drive.

Sanitation and hygiene are critical to health, survival, and development. Many countries are challenged in providing adequate sanitation for their entire populations, leaving people at risk for water, sanitation, and hygiene (WASH)-related diseases. Throughout the world, an estimated 2.4 billion people lack basic sanitation (more than 32% of the world's population). Basic sanitation is described as having access to facilities for the safe disposal of human waste (feces and urine), as well as having the ability to maintain hygienic conditions, through services such as garbage collection, industrial/hazardous waste management, and wastewater treatment and disposal. In this regard, REVA University conducted awareness program related to health and hygiene in rural areas.

Distribution of Masks and Sanitiser and Awareness Programme on COVID 19

REVA University strives to improve the quality of education to children and prepare them with knowledge, wisdom, and patriotism to face the challenges of the world. REVA University aspires to be an innovative university by developing excellent human resources with leadership qualities, ethical and moral values, research culture and innovative skills through higher education of global standards.

NSS team along with REVA Abhivriddhi -School of Mechanical Engineering, distributed face masks and sanitizer and also organized awareness programme about Corona virus (COVID 19) for the students of Government Higher Primary School, Bhatramarenhalli, Devanahalli Taluk on 21st December 2020.

Prof. Madhu B P, Assistant Professor and NSS coordinator, REVA University spoke about the importance of health and hygiene and how to create awareness in the public.

Dr. C D Hampali, Professor, School of Mechanical Engineering, spoke about the importance of wearing masks and how to maintain social distancing.

Prof. Varadaraj K R and Prof. Vinod, Mr. Nagaraj S, Headmaster and other staff members of Government Higher Primary School, Bhatramarenahalli were present for this program.

Highlights of programme:

- Students understood about the importance of wearing masks and sanitisation.

- How to create awareness among friends and parents.

Bandi Kodigehall Village Games

Description of Event:

The **NSS Unit, REVA University,** Bengaluru in association **Bandi Kodige halli Grama Panchayath** organised **Villages Games in Bandi Kodige halli Grama Panchayath , Jala Hobli, Yelahanka Taluk, Bangalore** from **24th to 26th February, 2022** from 9.30 am to 4.30 pm

Bandi Kodige halli Grama Panchayath, Jala Hobli, Yelahanka Taluk, Bangalore on 29.10.2021 at 10.00 A to 3.00 PM.

The program started in the presence of **Dr Ramesh N,** Registrar, **Mr. Jagadeesh N,** President of Bandi Kodigehalli Grama Panchayat, **Mr. Kumar C,** Coordinator, Sankar Eye Hospital, Vartur Road, Marathalli, Bangalore & other members of Bandi Kodigehalli Grama Panchayat.

The welcome address was done by Prof. Arun Kumar H, Assistant Professor, School of Mechanical Engineering

Camp Summary:
Total OPD: 100, Normal cases: 26, Total RBH: 23, Cataract Surgery: 23, Total Spectacle: 51, Single vision: 7, Bifocal vision: 44

Event Objective:

- To conduct a free eye checkup camp for community development.

- Since Cataract is the major cause of blindness, our main objective of conducting eye camps is to identify people with cataract and provide them with the necessary treatment, that is surgery.

- To detect Glaucoma cases and manage by routine tonometry and in suspected and proven cases of Glaucoma, to refer them to the base hospital for treatment.

- To prescribe glasses for refractive errors.

- To detect and treat (operate when required) diseases such as pterygium, chronic dacryocystitis and other infections.

- To undertake health education of the community on proper care.

- To develop and maintain relationship with the community.

Event Outcome:

- Increased student involvement in social activities

- Big help for people who depend on free eye check-up and operation camps.

- Took count of people who need to undergo cataract operation or other eye check-ups in the months.
- Sankar Eye Hospital provided spectacles and medicines free of cost

Swachh Abhiyan -Cleaning drive

Description of Event:

The NSS Unit and NCC Wing of REVA University organised a "Swachh Abhiyan -Cleaning drive" on 2nd November 2022 from 8.45 AM to 11.00 AM from REVA Circle to REVA University Back Gate. The main objective of this programme was to spread awareness among the students about the significance of cleanliness and its benefits. The students and staff from the school involved enthusiastically in the cleaning drive. 50 students and 3 staff members participated in the program.

The students and faculty were segregated into various groups who took up the charge to clean various parts of the road. Col. Srikumar Nair, Director (Admin), REVA University briefed about the cleanliness drive and safety to be taken when cleaning. As part of this, they collected more than 300 Kg of waste and handed over to BBMP.

Highlights of the Cleaning Drive

No matter where you are, your surroundings have a big role to play in your well-being and wellness. Think of people who work in an area where their surroundings are not safe. Miners have high rates of lung disease, for example, because they are continuously breathing in poisonous coal dust. Over time, their surroundings contribute to sickness and sometimes even death. It's not shocking that the bulk of your day is going to have an effect on health and wellness.

Colleges and universities are also crucial fields when it comes to their surroundings. There are also cleanliness problems that both teachers and students face on a regular basis. One of the main reasons for this is that clean colleges provide a healthier learning environment.

Abhivriddhi

REVA University has partnered with the Government of Karnataka to develop and impart quality education at lower and higher primary government schools, through its CSR initiative 'Abhivriddhi'.

As part of this initiative, REVA has adopted 10 government schools located around Bengaluru North (Yelahanka and Devanahalli constituencies) in the fringes of the city.

The pilot of 'Abhivriddhi' was launched in August 2020 and the core committee members of Abhivriddhi have conducted several in-depth surveys over the last five months to ascertain the requirements, challenges, and other details of the adopted schools.

'Abhivriddhi' is launched with a mission to aid quality education at government schools and aims to overhaul the learning experience at these schools. Currently, around 1000 students are learning in these schools, but due to the closure of schools as a COVID-19 protocol, have remained home during the pandemic.

Various activities conducted through this initiative is listed in the Abhivriddhi Booklet.
