SDG-2

2 ZERO HUNGER

End hunger, achieve food security and improved nutrition and promote sustainable agriculture

Chancellor's Message

Zero Hunger at REVA is being promoted through a series of teaching, seminars, activities and awareness programmes and services. At REVA, we strongly believe that alignment with the SDGs can only address the health of people, families and of the communities at large, by disseminating this knowledge through various youth-related activities. REVA, as a Social Impact University, ensures that people around us should have a good and sustainable life, thereby uplifting them in society. Under the aegis of this programme, orphanage visits are held, and other social outreach activities are conducted for old-age inmates and other underprivileged people in society. By conducting such events, REVA ensures that the theme Zero Hunger is focused on and ensures that the well-being of the poor is promoted in alignment with SDG 2.

Dr. P. Shyama Raju
Chancellor, REVA University

Pro Chancellor's Message

It is a proud moment for students and staff at REVA University as we have made a commitment to keep pace with implementing the United Nations Sustainable Development Goals. As a Social Impact University, we have introduced a number of key projects and policies in order to accomplish these SDGs. And I cannot be but thrilled to note that the dossier we have created for each of these SDGs is a testimony to our hard work and determination on how we have evolved as a Higher Educational Institution.

At REVA, we have carefully and thoughtfully planned activities related to each SDG. Be it gender equity programmes or charity events or heritage workshops or activities related to law and justice, or even Industry partnership and innovation programmes, we have encouraged close ties between communities around us, which in turn have a transformative impact on societal advancement.

Let's keep the momentum going and use this opportunity of aligning with SDGs as a potent tool to empower people, thereby liberating their minds and ultimately liberating society.

I wish the team all the best!

Best wishes,

Umesh S Raju
Pro Chancellor,
REVA University

REVA is one of the few Multidisciplinary Universities in the country which has adopted the SDG goals as part of the journey towards emerging as a Social Impact University. In my opinion, the journey has been a fulfilling one. As part of SDGs, we are committed to global challenges related to eradicating extreme poverty, putting an end to hunger and promoting inclusive and sustainable economic growth, full and productive employment, and decent work. The journey doesn't end there. We are also working to promote peaceful, inclusive societies, access to justice, and the creation of effective, accountable, and inclusive institutions.

By thoughtfully planning the activities, we have curated this dossier that is an example of our hard work and determination. I congratulate the team for all their efforts in ensuring that REVA contributes to the larger goal of betterment and a humane vision of higher education. We believe that by doing so we create a society that is committed to sustainable development and ultimately the improvement of the community and society.

I extend my best wishes to the team.

Best regards,

Dr M Dhanamjaya
Vice Chancellor,
REVA University

Zero Hunger

OLD AGE HOME VISIT – SAMPRAPTHI FOUNDATIONS

School: School of Computer Science and Applications
Venue: Bangalore
Date: 9th August 2021
Year: 2021

The Old Age Home visit by the School of CSA was intended to support and disperse medication. The faculty members went to the "SAMPRAPTHI FOUNDATIONS."

Before distributing the medications, the team first established an understanding of the scenario and their problems. From 3.30 to 4.15 pm, they communicated with the residents of the Old Age Home. It was a great experience for all the team to interact with the members. The students and faculty members had an insightful experience and returned with not only memories, but also some valuable essence that will definitely hold tight throughout their life.

Here are some of the memorable moments captured:

REPORT ON SOCIAL OUTREACH

Organized by: School of Mechanical Engineering
Venue: Manasa Ashraya - Old Age Home (Bodaganahalli Village, Chickaballapura)
Date: 8th February 2020

Description:

The School of Mechanical Engineering organized a social outreach programme to old age home Manasa Ashraya at Bodaganahalli Village, Chickaballapura.

Manasa Ashraya is old an age home, which houses the poor. It is equipped with all basic facilties to function. It was founded by Dr. Madhukar with a sense of concern towards the society.

The MARS committee students raised funds through contribution made by students and staff members of the School of Mechanical Engineering and with the amount collected, the groceries required for the Ashram was purchased and donated. The groceries included 150 kg of Rice, 25 liters of cooking oil, 15 kg of Toor dal and other necessary items for the Ashram.

Following are the outcomes achieved with this outreach:

1. The Old age home was provided with grocery that would sustain the food requirement for a duration of one month.
2. The senior citizens were engaged with different cultural activities that included sharing experience, singing, dancing etc.
3. Students learnt the art to plan, raise the funds and arrange the resources required for this outreach event.
4. The students benefitted from the guidance received from senior citizens.
5. Students interacted with senior persons in old age home and were able to identify the shortcomings in the society. This event facilitated a sense of concern towards the society in general and elders in particular.

VISIT TO ORPHANAGE HOME - JMJ SNEHA SADAN

School: School of Computer Science and Applications
Venue: Bangalore
Date: 16th September 2021
Year: 2021

A visit to Orphanage Home - "JMJ SNEHA SADAN" was organized by the School of CSA. The team was happy to meet the children, who welcomed them with love and affection. The team spent quality time with them. As a token of love, the team distributed clothes, books, stationery, and rice. There were around 16 children with 4 caretakers and a woman in charge who were overwhelmed by the gesture.

Here are some of the memorable moments captured:
