ಇಲ್ಲೇ ಇರುವರು ಹೃದಯದಲಿವರು

Dr. Sunil Kumar S. Manvi

Dean Faculty of Engineering & Technology

Congratulations and a hearty welcome to all the students to the School of Computer Science and Engineering where the first step to being a computer technocrat begins. Generating excellent human resources in the field of computers and IT has always been the motto of our faculty and the institution.

The Forum for Aspiring Computer Engineers (FACE) has been the instrument for conducting various techno-cultural, sports, and outreach events for and on behalf of our school that has been very successful so far. Hope the great journey continues.

Wishing luck to all the students of this competent school
