**Subject: Proposal to conduct a “Alumni Talk”**

Respected Sir,

We from School of CSA , planning to conduct an Event called “Alumni Talk” for our students pursuing I semester MCA Students on 28/02/2025. This Event aims to provide platforms where former students (alumni) share their experiences and insights with current students and faculty, fostering connections, providing mentor-ship, and inspiring future generations.

**Proposed Details of the Alumni Talk:**

- **Date:** 28/03/2025
- **Number of Students:** 60
- **Purpose of the Event:** The main purpose of exploring the power of Python is to understand its capabilities, versatility, and efficiency in solving real-world problems.

We would appreciate confirmation of these dates and any required formalities. Looking forward to your positive response.Thank you for your support and cooperation..I request you to approve the proposal.

Thanking You,

Sincerely,

Faculty Coordinators :  
Padmavathi.R & Pooja N G  
Assistant Professor,School of CSA,  
Reva University

**Resource Person Alumni**  
Ms.Sukanya N

**Alumni President**

Assistant Professor, Aditya College of Engineering and Technology,  
Bangalore.

**Alumni Vertical Head**

## School of Computer Science and Applications

### Alumni Talk

<b>Event Type:</b>	<b>Alumni Talk</b>
<b>Academic Year</b>	2025
<b>Event Date(s):</b>	28/03/2025
<b>Venue:</b>	Smart Class Room 423
<b>Organized by:</b>	School of Computer Science and Applications
<b>Coordinator(s):</b>	Prof. Padmavathi R, Pooja N G
<b>Target Audience:</b>	I semester MCA 'C' Section Students
<b>Number of Participants:</b>	60

---

### 1. Objective of the Event

The objective of the event to provide platforms where former students (alumni) share their experiences and insights with current students and faculty, fostering connections, providing mentor-ship, and inspiring future generations. Expert talk about how Python can be applied in different fields such as web development, data science, machine learning, automation, and more.

---

### 2. Event Schedule

---

<i>Time</i>	<i>Session/Activity</i>	<i>Speaker/Facilitator</i>
10:50am	<b>Alumni Talk on “Exploring the Power of Python”</b>	Ms. Sukanya N Asssistant Professor Aditya College of Engineering and Technology

### 3. Resource Person

Ms. Sukanya N

#### 4. Description of the Event

The event began with a warm welcome to the guest, followed by an insightful introduction about the topic Exploring the power of Python. Ms.Sukanya N addressed the students with an inspiring speech, emphasizing the significance of technical proficiency, adaptability, and continuous learning in today's competitive world. She highlighted how staying updated with industry trends and developing domain expertise are crucial for professional success.

Ms.Sukanya N conducted a quiz related Python. And the students were actively participate in the Event. This gesture was highly appreciated by the students and faculty members, making the event even more welcoming and comfortable.

---

#### 5. Outcomes of the Event

- Enhanced understanding of the industry expectations and required skill sets.
- Awareness of the role of software in business operations.
- Motivation and guidance on career preparedness and technical expertise.
- Versatile skill set applicable in various fields, including web development, data analysis, machine learning, and automation.

#### 6. Signature of the Coordinator(s)

**Name(s): Padmavathi R, Pooja N G**

**Designation(s):Asst.Professor**

**Date: 28/3/2025**
