Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell [IQAC] spearheads the quality initiatives of the institution. Benchmarks are set in tune with goals of higher education in India and the vision and mission of the institution. The cell meticulously plans the quality drive of the institution by ensuring the quality culture, institutionalizing and internalizing quality parameters in adherence to the norms of National Assessment and Accreditation Council of India. The academic and administrative processes execute the quality enhancement strategies developed by the cell to create a dynamic and innovative environment in the campus. Institutional and external mechanisms are in place to monitor the thrust for quality. National and international benchmarks serve as finger posts to develop best and distinctive practices.

Objectives:

- To build and ensure quality culture in the institution.
- To initiate, plan and supervise various activities that are necessary to increase the quality in education imparted in an institution.
- The IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of the Institution.
- IQAC to maintain quality standards in teaching, learning, evaluation and research.
- To facilitate the integration of the various activities of the institution and institutionalize the best practices.
- To provide a sound basis for decision making imbibing all the dimensions of service quality to improve institutional functioning.
- To coordinate and improve internal communication to facilitate greater policy implementation and quality assurance towards its stakeholders.

Functions:

- Quality enhancement through internalization of quality culture
- Development of benchmarks for the various academic and administrative activities of the institution.
- Creation of a learner-centric environment, conducive for quality education and curriculum updation
- Quality Assurance through documentation and academic audit
- Institutionalization of Best Practices
- Quality improvement through interactive forums
- Preparation of mandatory quality reports
- Lead the institution for assessment, accreditation, rankings, and awards.
