

**SDG 6 – Clean
Water and Sanitation**

Report on

“Swachha Bharath Abhiyan”

School/Department: National Service Scheme (NSS)/ School of Applied Science/ 39 KAR BN NCC B Coy 39/16

Venue: REVA Circle to Mittaganhalli Gate

Date: 16th January 2025

Year: 2025

Description of Event:

NSS unit of REVA University, in association with the School of Applied Science, 39 KAR BN NCC B coy of REVA University, BBMP, is organized “Swachha Bharath Abhiyan” as a part of the NSS course for NSS volunteers from School of Applied Science from REVA Circle to Mittaganhalli Gate on 16th January 2025 from 9.00 am to 12.00 pm. 27 Volunteers from the School of Applied Science, along with 25 NCC cadets and 10 BBMP Staff, have attended the program.

The Swachh Bharat Abhiyan (SBM) contributes to Sustainable Development Goal 6 (SDG 6)

The Learning Objectives of the program are:

- To understand the developmental challenges with reference to sanitation infrastructure and practices.
- To build values of cleanliness, hygiene and waste management in diverse socioeconomic contexts.
- To understand planning of social policy and programmes.
- To use waste management techniques at community level.
- To instil a sense of service towards society and the Nation.

The Learning Outcomes of the course are:

- Understanding the significance of the Swachh Bharat Abhiyan.
- Ability to analyse and predict the sanitation challenges of India
- Determine the link between sanitation and development.
- Contribute to the Swachh Bharat Abhiyan through real time projects/fieldwork

Sustainable Development Goal (SDG) Linkage

- **SDG 6: Clean Water and Sanitation**

In essence, both SDG 6.4 and Swachh Bharat Abhiyan aim to create a cleaner, healthier environment by focusing on water management, sanitation, and public awareness, contributing to the sustainable development of the country.

- **Specific SDG Linkage**
- **SDG 6.4: Reduce Mortality from Non-Communicable Diseases**

This program aims to improve sanitation and eliminate open defecation. The SBM has helped India achieve the Open Defecation Free (ODF) target in all districts.

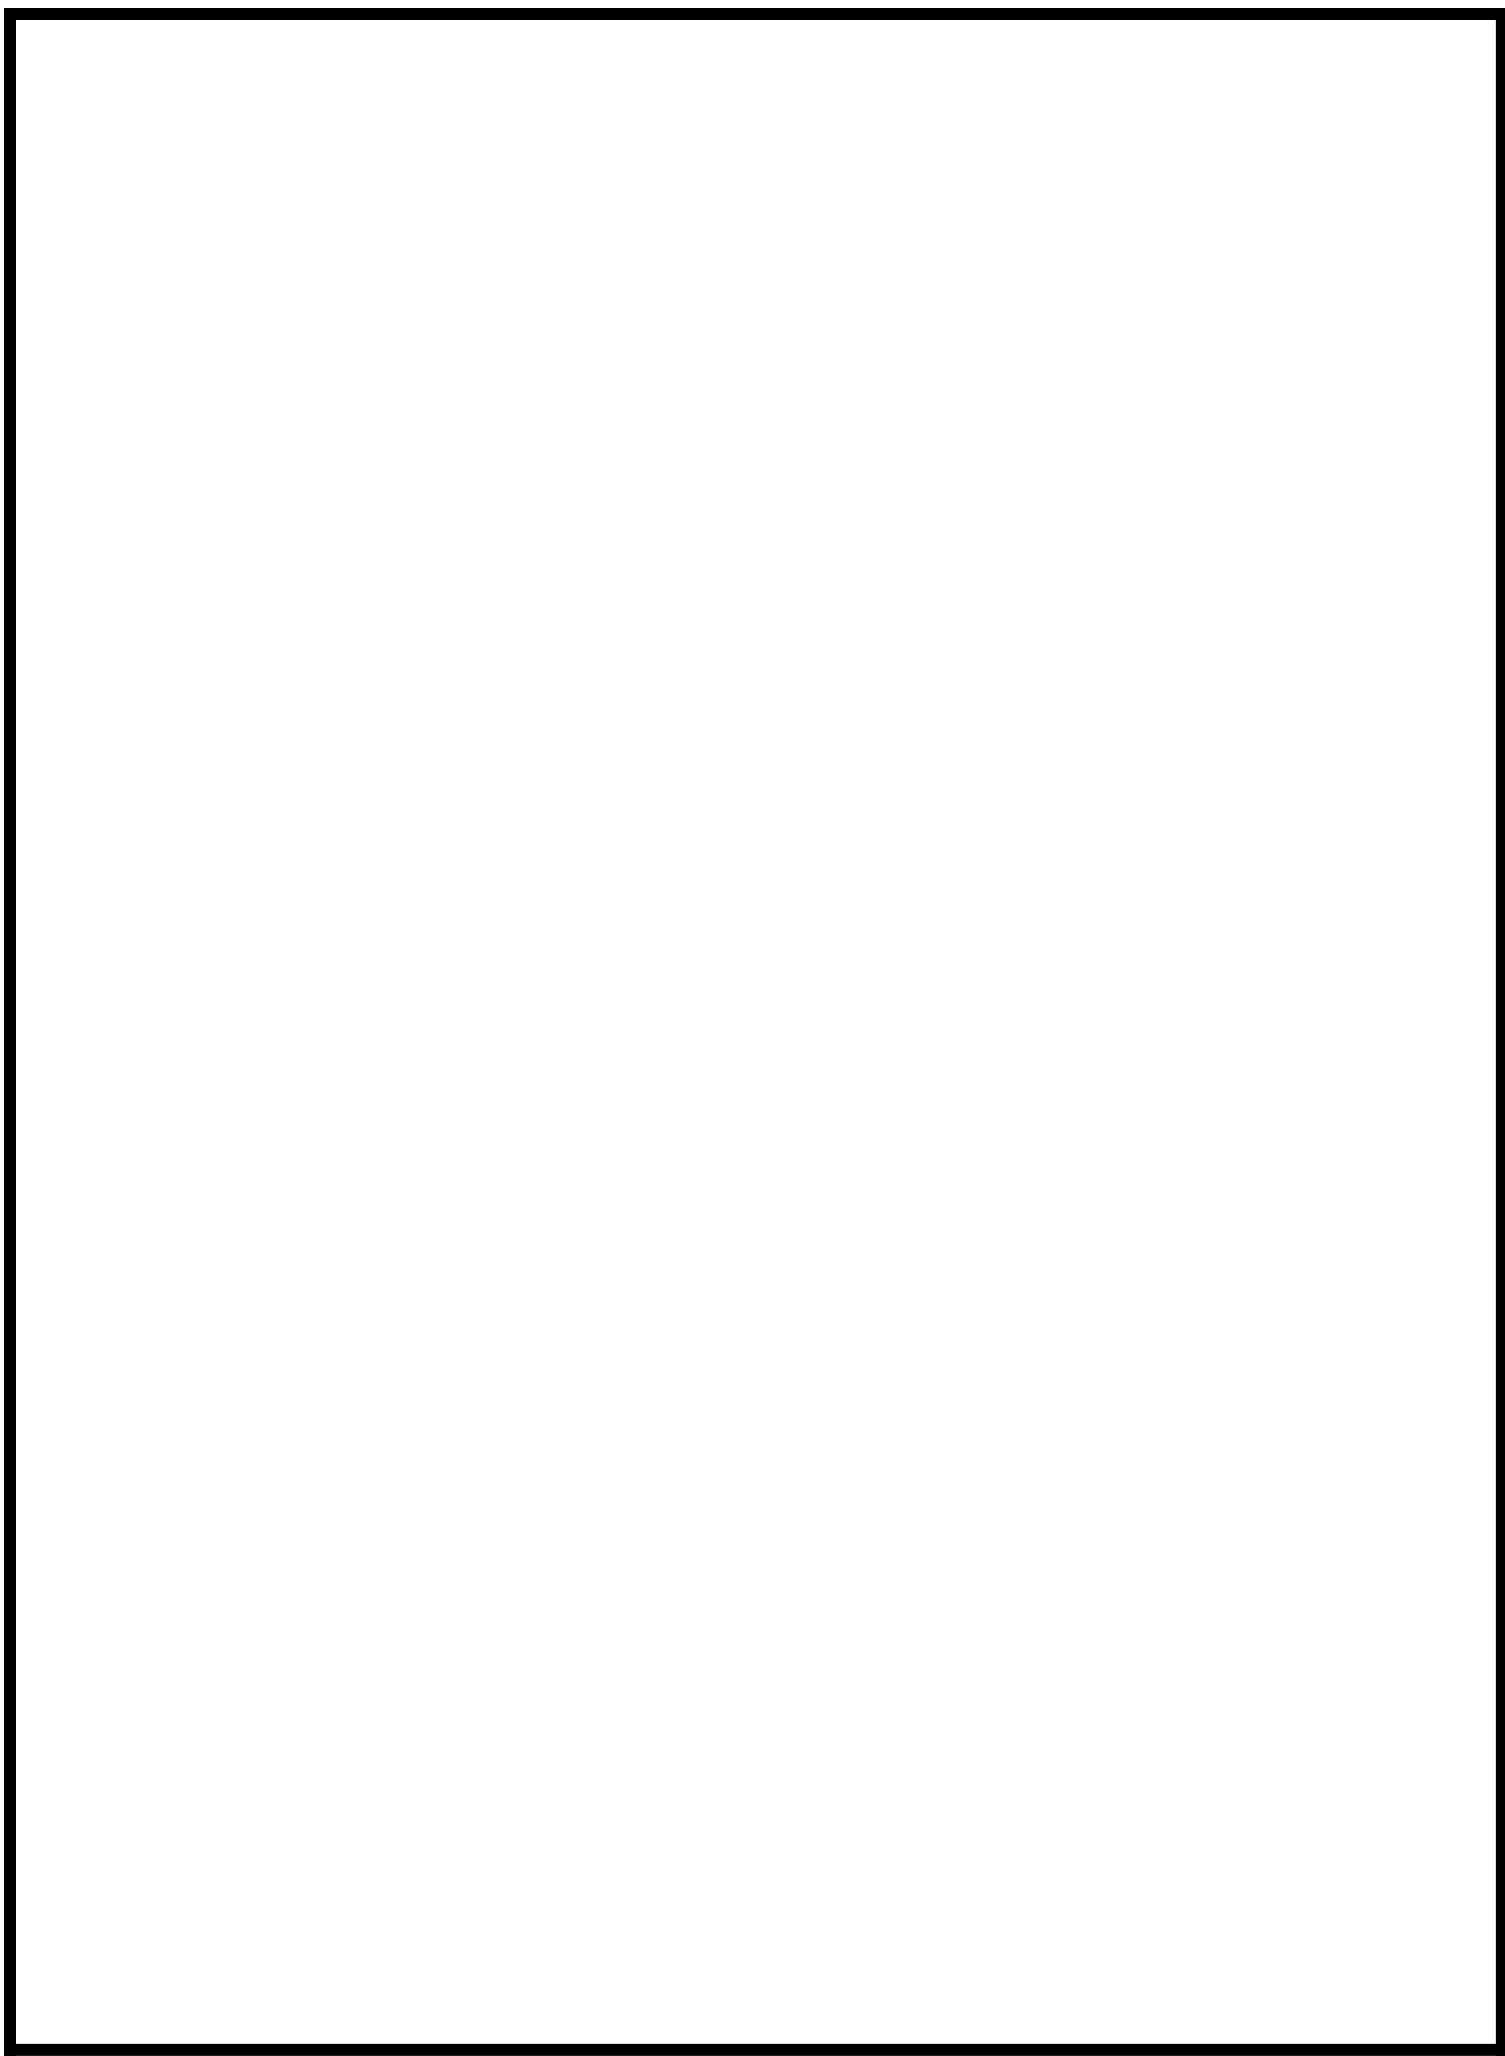

Suggested Activities: List of activities undertaken:

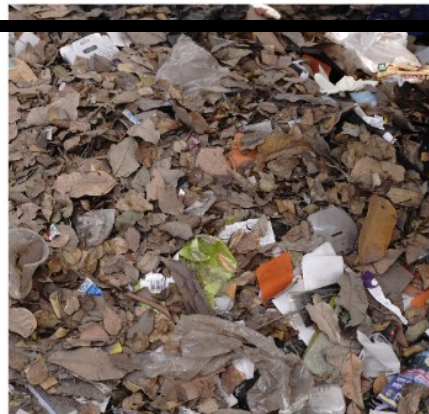

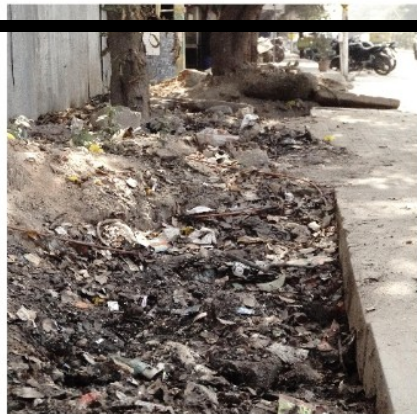

- Identified plastic and e-waste in and around the hotels, main roads, bar and suggested innovative technologies to minimize wastage.
- Visited canteen/shops and track the lifecycle of wet/dry waste in and around the REVA University and document the findings in the form of a Project Report.
- Organised Swachhata Pakhwada meetings before the cleaning drive at the main gate of REVA University.
